[The Mirror of Christianity, Cults, and the Catholic Church](#) Richard Bennett, 2021-05-13 Are we on the brink of a theological war between Conservative Protestant Christianity and the new Charismatic Protestant Christian movement known as the New Apostolic Reformation (NAR)? Are they as demonic as some well-known pastors say? A very debated question. This is a book that must be read by every ex-Catholic that perhaps has second thoughts. Reading this book is assurance the decision was right. And let us not forget those Prosperity preachers who constantly ask for money. This book exposes them even to their very core beliefs which are shocking and unbelievable.

[The Amazing Facts Book of Bible Answers](#) Doug Batchelor, 2005-10 his book contains the very best of the questions and answers from Pastor Doug's international radio program Bible Answers Live. Each answer has been expanded and revised with more Bible verses, insightful commentary and spiritual nourishment. If you love Bible Answers Live you'll love this book. Critical questions asked by real people answered by Pastor Doug himself. Each answer backed with Scripture and insightful commentary. Here's just a sample of the more than 100 Q & A's: Who created God? Which day is the Sabbath? What about music in church? Does hell burn forever? Is the Bible the only source of truth?

[Women's Ordination and the San Antonio Compromise](#) Michael G. Coleman, Compromise is necessary within society when there are competing interests at play. However, certain concessions simply delay the inevitable. When the United States lawmakers attempted to stave off conflict over the subject of slavery with the Missouri compromise, the effect was only temporary. The Seventh day Adventist Church may be facing a similar situation over a compromise that was intended to respond to competing interests in the church regarding women's ordination. Guided by the principles of biblical interpretation that helped to found the Seventh day Adventist Church, veteran New York pastor Dr. Michael G. Coleman finds in Scripture the basis for resolving the standoff that exists within Seventh day Adventism over women's ordination. He proposes a biblical solution to avoid the trend that has overtaken other Protestant churches. His response is a thoughtful, biblically faithful and user-friendly resource. He encourages administrators, pastors and laypersons to consider the evidence prayerfully and thoughtfully.

[Space Traveler](#) James Vincent, 2003-09-11 James Vincent is a world class musician. That he is not a household name is entirely by his choice, yet almost all who have seen him perform or heard his recordings have become his fans. He has written a unique, brutally honest account of his life: his childhood and discovery of the guitar, his going on the road at seventeen to play in seedy dives and military service clubs, later in famous upscale clubs across the country, then making records and playing huge concert venues. James gives us an inside look at the recording industry: the studios, the performers, producers and promoters. He gives us behind-the-scenes insights into many famous personalities, names like Santana, Garcia, Harrison and Cetera, and acknowledges some unsung heroes in the music world. His cast of characters includes the very rich and the down and out, the saint and the
