digital marketing isn't really about the brands it's about consumers exercising more control over their choices. This book demonstrates how using this single realization as a starting point helps you build and implement more effective campaigns. Get inside the customer's head with deep consumer research. Constantly improve your campaigns based on feedback and interactions. Integrate digital activities across channels including traditional marketing. Build campaigns based on customer choice and control. Digital marketing turns traditional marketing models on their heads. Instead of telling the customer what to think you find out what they already think and go from there. Instead of front-loading resources you continually adjust your approach based on real interactions with real customers every day. Digital marketing operates within its own paradigm and The Art of Digital Marketing opens the door for your next campaign.
