[Walk Away to Win: A Playbook to Combat Workplace Bullying](#) Megan Morfitt Carle, 2023-05-16. Recognize toxic coworkers, support bullied colleagues, and thrive in the workplace and beyond. Ranging from general conflict to psychological violence, workplace bullying has become an epidemic at many offices. The Workplace Bullying Institute reports that workplace bullying affects approximately 80 million workers. And with the Great Resignation upon us, we're seeing that a toxic culture or manager is one of the top reasons employees leave a company. In *Walk Away to Win*, Megan Carle draws on her own experience as a target of workplace bullying paired with the latest research in the field to reveal how unhealthy workplace cultures enable this insidious behavior. She describes the impact of bullying on an organization's bottom line, explains what you can do to combat bullying against yourself or your coworkers, analyzes the common characteristics of bullies, and helps readers understand how to face each style of bullying behavior. You'll learn everything you need to know about the fundamentals of workplace bullying, various types of bullies including the Two Face, the About Face, and the Rat Face, cultural context of workplace bullying, a target's options for responding to their bully, how you can help a colleague who is being bullied, how business leaders must respond to bullies including termination. *Walk Away to Win* sends a loud and clear message to targets of bullying: this is not your fault, and there are steps you can take to protect yourself and your career, including the ultimate win of walking away if your company doesn't support you. The book also sends a message to leaders in business: if you tolerate workplace bullies, you'll lose staff productivity and market share; a no-tolerance policy is the only path forward. If you, a coworker, or a member of your staff is experiencing bullying, *Walk Away to Win* belongs in your arsenal to combat this behavior and make positive change for everyone.

[Coercive Relationships](#) Jennifer C. Parker, 2021-03-11. Coercive Control provides a beacon for survivors of partner abuse. Parker's nonjudgmental, empathic voice offers knowledge gleaned from years of experience. Survivors gain answers to frequently asked questions: Am I being abused? Why do they hurt me? Why do I feel so crazy? What can I change? Why do they believe they should control us? How do I recognize abuse of power? How do I heal? Each chapter contains illustrative vignettes and suggestions for reflection to assist readers in discovering what they want. *Coercive Relationships* lifts the private shame survivors feel by connecting their abusers' actions to societal values and beliefs that permit all forms of violence.
