Nakashima,2000-09-21 An expertly reported and insightful biography of Al Gore from Pulitzer Prize winning author David Maraniss After losing one of the closest American elections in years Al Gore remains a fascinating political figure a man both revered and reviled Drawing on documents letters and interviews with more than three hundred people including six lengthy conversations with the vice president the Pulitzer Prize winning reporter David Maraniss and Ellen Nakashima look closely at the forces that have shaped Gore s life and career to explore the man behind the contradictory public persona Beginning with Gore s earliest years when this son of a senator was torn between elite Washington and rural Tennessee one is struck by the image of a young American prince burdened by expectations of his likely political fate With a new afterword written after the election **The Prince of Tennessee** depicts Gore as an intelligent and competent man whose struggles with self doubt and insecurity made him one of our least understood presidential candidates **PISA, Power, and Policy** Heinz-Dieter Meyer,Aaron Benavot,2013-05-13 Over the past ten years the PISA assessment has risen to strategic prominence in the international education policy discourse Sponsored organized and administered by the Organization for Economic Cooperation and Development OECD PISA seems well on its way to being institutionalized as the main engine in the global

accountability regime The goal of this book is to problematize this development and PISA as an institution building force in global education It scrutinizes the role of PISA in the emerging regime of global educational governance and questions the presumption that the quality of a nation s school system can be evaluated through a standardized assessment that is insensitive to the world s vast cultural and institutional diversity The book raises the question of whether PISA s dominance in the global educational discourse runs the risk of engendering an unprecedented process of worldwide educational standardization for the sake of hitching schools more tightly to the bandwagon of economic efficiency while sacrificing their role to prepare students for independent thinking and civic participation
