MISSY,2013-03-26 Well I can sure say that my life did not turn out the way I expected My life did not turn out how anyone would expect I never thought that I would commit a crime and get arrested but I did I never thought that I would end up being a shemale sissy maid but I did I never thought that I would fall in love with and marry a lesbian but I did I never thought that I would live my life as a submissive to a dominate Lady but I do I never thought that I would become an attorney and save the innocent from going to prison but I have I never thought that I would be able to look at someone and ask a few questions and know what was wrong with them and save their life but I have several times I never thought that I would infiltrate the Russian Mob and save the lives of 39 young ladies but I did I never thought that I would be in a position to help the FBI Interpol and Lloyds of London solve kidnapping crimes but I have I never thought that I would become a psychologist but I have I never thought that I would marry a financial genius that would make me almost 50 million dollars in less than 4 years but I did I never thought that my life would be so diverse and exciting in many different ways but it is Just in the past 6 weeks alone I have saved the life of Molly my mother in law I saved a family of 11 from needing to sell 10 of their kidneys just to survive I calmed the minds and hearts of Mindy Toni Sabrina and Cally concerning the newest member of our unusual family concerning the arrival of a real dominate ALPA male who Ally brought home and fell in love with I was working with the FBI Interpol and Lloyds of London in solving the kidnapping of 8 men I took on a criminal case involving Ally s new Love

whereas he was arrested for caning a young lady in a BDSM relationship This case will become very interesting in the future but it concerns everyone who practices any part of BDSM you will want to stay tuned for this outcome I got to make love to one of the smartest the most pretty the most Lady the intelligent Cally my wife Just thinking about how much I love Cally brings tears to my eyes I am the luckiest shemale sissy maid in the entire world *CALLY AND MISSY, TWO M* MISSY,2013-02-21 I guess this is a good place to end this book as once again you are caught up with the most unusual life that Cally and I share with our unusual family However once again my life with Cally never seems to be dull anymore In fact my life with Cally has never been dull it is just more exciting since we got married almost a year ago Milly has been progressing very well as her sissy maid self under the direction of Miss T As well Molly seems to accept and even enjoy milly better now Sabrina certainly enjoys sissy maid milly as she gets three days off each week now that she has milly to fill in for her Sir certainly has brought a lot of excitement to the house and that excitement seems to still be growing as he seeks to dominate everyone in the house and not just us maids and Ally and Toni Sir getting arrested certainly presents me with a big challenge as although I do not believe that he has actually committed a crime I do believe that innocent people go to prison because people on juries do not believe that they should live their lives in any way unlike the way society demands of them In other words if they do not like what Sir did and the District Attorney says it was wrong they just agree and give it no more thought I disobeyed a direct order from Cally for the very first time Cally let me know that that was unacceptable in a very painful and very humiliating way I don t think I will make that mistake again at least I hope not Cally and I went to the most unusual place in South America in cooperation with Lloyds of London the FBI and Interpol in an effort to find out why men were disappearing from FemDom Nation a community of Dominate women and male submissives FemDom Nation is sort of like a hotel for vacationing Dominate women and Submissive males People from all over the world come there to enjoy their life style for a few days to a few weeks Submissive men can go their alone or with a dominate female Dominate women are welcome with or without a submissive male It was really a neat place and Cally and I had a very nice time However our time was cut short as a result of Sir getting arrested so we came home early and without meeting our objective in order to help out Sir and Ally Cally and I need to go back again to complete our mission but Cally decided to wait until after Thanksgiving
