ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues Now we contemporary Christians cannot overlook this evidence Instead we must continue until we pass to the next generation Because the truth has to be told

The Mechanics and Practice of Speaking in Tongues C. Alan Martin, 2013-10-14 The Challenge We are going to present and prove a number of concepts in this study that are new and even revolutionary to the student of speaking in new tongues Among these concepts are All men have passively spoken in tongues from birth even before they spoke in their native tongue This includes non Christians Speaking in tongues is a natural and normal thing to do People were actively speaking in tongues hundreds of years before Christ was born New tongues are not real languages and cannot be understood by any man They can be understood by God because of His power The believers in Acts Chapter Two were not speaking in new tongues Jesus spoke in new tongues By speaking in new tongues one can commune with God heal the sick and raise the dead You can learn to actively speak in new tongues and do it at will Speaking in new tongues is for all intents and purposes gibberish It is gibberish that only God by His supernatural power can understand A spiritual thing is not necessarily a supernatural thing Speaking in new tongues is a merely spiritual manifestation as opposed to a supernatural manifestation Speaking in new tongues is not diversities of tongues Diversities of tongues is both a spiritual manifestation and a supernatural manifestation Speaking in tongues is a co operative effort between the spirit and the soul Numbers It is estimated that 600 million humans believe in the practice of speaking in tongues As of April 2006 500 million humans practice speaking in tongues The number of those speaking in tongues has increased 168 million since 1988 Denominations that promote speaking in tongues add 20 million converts to their pews each year 100 million Catholics identify with the Charismatic movement and speaking tongues If these statistics are true and continue By 2025 there could be over 1 14 billion believers who practice speaking in tongues

The

Science of Speaking in Tongues Stephen Jonathan DIN, 2019-05-05 Speaking in Tongues The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day One of the major Christian discussions about spiritual gifts is the gift Speaking in Tongues This is one gift which many Christians continue to discuss Some question whether Speaking in Tongues is still operating or ceased after the day of Pentecost This book gives answers to questions which many believers continue to discuss about the Holy Spirit gift of tongues speaking One fact about this gift is that those who have genuinely experienced the gift of speaking in tongues are the best teachers to answer questions This book is good for all who earnestly desire to have knowledge about this gift of the Holy Spirit Answers to the questions gives more insight about the real package of the gifts of Holy Spirit baptism It also gives more explanations to the diversity of the body of Christ in relation to receiving the baptism of the Holy Spirit Master Keys Harold McDougal, 1988 Nine Lies People Believe about Speaking in Tongues Steve Bremner, 2016-02-16 Discover the Biblical Truth about the controversial gift of speaking in tongues Have you ever been told that speaking in tongues is not for today Maybe you've heard people speak in tongues and it seemed weird You thought to yourself This is too strange to be God Or maybe you believe that people can **Sounds of Wonder** Eddie Ensley, 1977 **What the Bible Says about Speaking in Tongues** John Argubright, 2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets
