

The American System Study Guide Answer Key

Chapter 14

1. How did the American System differ from the British System?

While Britain's free trade policies of the early 19th century were based on the idea of free trade, the American system was based on the idea of protectionism. The American system was based on the idea of protectionism, which meant that the government would impose tariffs on foreign goods to protect domestic industries. This was done to encourage the growth of American industry and to reduce dependence on foreign goods.

2. How did the American System differ from the British System?

The American System was based on the idea of protectionism, which meant that the government would impose tariffs on foreign goods to protect domestic industries.
