hospital's Intensive Care unit After that start the road went steadily downwards Author Frances Lynn herself a survivor of the steaming Seventies bars no holds and pulls no punches when telling the story of a wayward girl staggering into the drug infested circles in San Francisco and London on her way to doom and destruction About the Author Frances Lynn was born in London and grew up in Notting Hill Gate Her first job was at the BBC but left after a year in order to travel to San Francisco When she returned to London she became Britain's bitchiest columnist on the defunct Ritz magazine simultaneously doing freelance work for Fleet Street papers and the London glossies Frances Lynn now lives in central London enjoying life as a professional writer and author
