Something Beautiful For God:

Something Beautiful for God Malcolm Muggeridge, 1971 **Something Beautiful for God** Malcolm Muggeridge, 1983 *Do Something Beautiful* York Moore, 2018-07-03 Do you find yourself chasing something more We are people seized by longings we can't seem to satisfy It's built into us in our very bones We were created with an innate desire to be a part of a world and a story bigger than ours Sadly however most of us spend our lives blind to the fact that this story and this world are right in front of us beckoning to us to come and play our part We keep on with our focused relentless pursuit of everything else and find ourselves dissatisfied In *Do Something Beautiful* York Moore shows you how to reframe your own story and begin seeing God's story breaking into your life in the everyday moments leave behind mediocrity and be a part of that beautiful story and make your life count for something that matters Don't give up on your something more Chase it better [Something Beautiful for Mother](#) Jack Countryman, 2012 Karen Kingsbury Dee Brestin Vonette Bright Jill P Briscoe Cynthia Heald Nicole Johnson Babbie Mason Patsy Clairmont Sheila Walsh and many more Christian women leaders offer messages of hope and encouragement to mothers of any age on topics such as grace freedom hope joy faith love forgiveness truth purpose peace healing and God's sovereignty This book will inspire and renew moms amid both the blessings and challenges motherhood brings Page 4 of cover [Searching for God in Britain and Beyond](#) David G. Reagles, 2021-12-15 When writer and media personality Malcolm Muggeridge unexpectedly converted to Christianity in the 1960s fans around the world flocked to his devotional writings and television programs about his spiritual journey Because Muggeridge was critical of institutional Christianity and initially refused to join a church he inspired a special affinity in those who were disillusioned with mainstream religious authority Readers from around the world sent him deeply personal letters describing their spiritual and religious lives revealing their anxieties doubts and hopes about the future of Christianity In *Searching for God in Britain and Beyond* David Reagles draws on nearly two thousand of these remarkable fan letters to explore the thoughts and feelings of ordinary Christians in a time of cultural and religious upheaval In these candid letters Muggeridge's correspondents wrestled with their experiences of faith and doubt the value of institutional religion uncertainties about permissiveness in society the proper role of Christian social activism and the forces of secularism For these fans and skeptics alike reading and writing were a vital means of working out their religious identities and convictions amid the supposed decline of Christendom *Searching for God in Britain and Beyond* provides a rare and fascinating glimpse into the inner worlds of ordinary Christians in the 1960s and 1970s revealing how the secularization of postwar society felt to average people **Handbook for the Christian Faith** James M. Dawsey, 2023-08-15 Is religion disappearing from American life Less than 50 percent of Americans now hold membership in any religious institution and even fewer attend worship services The decline in Christian churches is especially pronounced among the young and cuts across all denominations But for Methodists and like-minded Protestants concerns are deeper than shrinking denominational

membership Polls show disconcerting ignorance about religious and spiritual matters even among churchgoers Our values as a society are in large measure molded by religion What shape will Protestant Christianity take in the twenty first century And of Methodism And beyond that what kind of community will we be Dawsey proposes returning to the roots of Christianity And with anecdotes and stories and a sweeping grasp of church history he examines those essential practices and beliefs necessary to revitalize American churches Key he argues is rediscovering Christianity as a philosophy of living John Wesley characterized the practice of religion as first doing no harm second doing good and third keeping the ordinances of faith Loving God and God s creation the doing of Christianity marks the path for becoming the churches and individuals Christians were called to be

The Ignorant Perfection of Ordinary People Robert Inchausti,1991-01-01 This book examines how the spiritual longings of ordinary people have shaped the most progressive political and cultural movements of the twentieth century and given birth to a new postmodern perspective on existence that recoups the traditional religious verities on the far side of both literary modernism and neo Marxism Inchausti focuses on figures who have been instrumental in defending the sacred traditions of indigenous cultures and oppressed minorities He demonstrates that Mahatma Gandhi Alexander Solzhenitsyn Elie Wiesel Martin Luther King Jr Mother Teresa and Lech Walesa share an ethic that is at once plebeian in origin and yet sublime in aspiration

Mother Teresa - Something Beautiful For Malcolm Muggeridge,2010-01-27 In your own way try to make the world conscious that it is never too late to do something beautiful for God Mother Teresa in a letter to Malcolm Muggeridge In 1969 Malcolm Muggeridge travelled to Calcutta to make a documentary about Mother Teresa with the BBC Muggeridge was immediately impressed on his first meeting with her and his resulting documentary *Something Beautiful for God* brought Mother Teresa to the attention of the world s media and public Following the documentary trip Muggeridge wrote this book originally published in 1971 which combines his reflections about Mother Teresa her work and the time he spent with her quotes from Mother Teresa on a wide range of topics and an in depth interview between Mother Teresa and Muggeridge This labour of love is as much the author s personal homage as it is an uplifting chronicle of his discovery of Mother Teresa and the religious order she instituted

Finding A Purpose In Life R. M. Lala,2013-12-01 There is a pilgrim soul in all of us an inner searching that continues throughout our lives For lack of a purpose millions in despair seek refuge in unbridled consumerism drugs alcohol crime or antisocial behaviour From times immemorial man has striven to know his place in this bewildering world find a direction and pursue a purpose higher than his own advancement In this book R M Lala addresses these issues through the medium of great lives like Abraham Lincoln Albert Schweitzer Emperor Asoka Vinoba Bhave Mother Teresa Nelson Mandela Narayana and Sudha Murthy and others He highlights the difference between ambition and purpose career and purpose and indicates how understanding this lies at the core of understanding oneself This inspirational and motivational work shows how each of us can find a purpose satisfying to ourselves and meaningful to others
