I will show you how to use search engine optimization and marketing without over-optimizing or getting your site banned. These simple techniques are enough to help your website rank well in the search engines and will work for years to come. How to use blogging not just as a business model but as a way to also drive traffic to your business and connect with readers and customers. I'll show you easy ways to get ideas for blog posts. You'll never run out of ideas for content. How to use article writing and submission now. Article writing is still effective if you know what to submit and you write for your readers, not the search engines. How to use press releases to drive traffic to your site, and I include my favorite places to submit. How to use forums and why they're still a great way to promote your business. Forums have been a staple of the internet for years and they're not going away any time soon. This is an excellent way to promote, especially if you're a beginner and you can earn while you learn. How to create an affiliate program for your business and do it for free. You'll learn how to leverage the power of affiliate programs to expand your business into places you might not be marketing. Having affiliates will allow you to do this. How joint ventures are the fastest way to get paid once you start using them, and where to go to find the best joint venture partners. Why free classifieds aren't dead yet and how they can help you market your business quickly, especially if you are just starting out. They can even help you with your search engine rankings, so they're well worth a look. How to get started with pay per click search engines for free. Use all the free traffic available to help you find the winning ads in your business before you blow your marketing budget on this marketing technique. How doing just 5 simple things a day can set you up to have unlimited traffic for years to come. Rule of 5 marketing. How to use social bookmarking and linking to generate passive traffic. In part 2, I'll show over 1000 places where you can market your business. This includes the best directories, most popular search engines, press release directories, article directories, social sites, video sites, and more. It's all included.
