Remedy Ruth Williams,2020-09-01 After the success of Marie Kondo's Spark Joy here comes an enlightening book that reveals how objects can bring a timely little lift to everyday living enriching our wellbeing and brightening our minds The Mind Remedy is a precious compendium of spiritual things that create space for the reader to pause and reflect to focus and nourish the mind and to provide hands on happiness From dream catchers to worry beads this beautifully crafted book shares the origins meaning and practice inherent in every holistic artefact we may own or want to collect on our personal development travels Arranged to appeal to every state of mind and inviting the reader to dip in as they need to during their own journey this book will show you how to craft your own life enhancing object and conduct your meditative ritual for a daily dose of wellbeing and self care *Geographical Indication and Global Agri-Food* Alessandro Bonanno,Kae Sekine,Hart

N. Feuer,2019-06-25 This book addresses the relevance of geographical indication GI as a tool for local and socio economic development and democratization of agri food with case studies from Asia Europe and the Americas A geographical indication is a sign used on products that have a specific geographical origin and possess qualities or a reputation that are due to that origin It provides not only a way for businesses to leverage the value of their geographically unique products but also to inform and attract consumers A highly contested topic GI is praised as a tool for the revitalization of agricultural communities while also criticized for being an instrument exploited by global corporate forces to promote their interests There are concerns that the promotion of GI may hamper the establishment of democratic forms of development The contributing authors address this topic by offering theoretically informed investigations of GI from around the world The book includes case studies ranging from green tea in Japan olive oil in Turkey and dried fish in Norway to French wine and

Mexican Mezcal It also places GI in the broader context of the evolution and trends of agri food under neoliberal globalization The book will be of interest to researchers policy makers and students in agri food studies sociology of food and agriculture geography agricultural and rural economics environmental and intellectual property law and social development
