**How to Make Money Installing GPS Trackers for Cars** A. B. Lawal, 2019-09-13 About the Book The market for GPS tracking services is a rapidly growing and relatively untapped opportunity for small businesses and entrepreneurs. Currently, there are more than 12 million registered commercial vehicles in the USA alone. In Latin America, there are over 20 million. However, a very small percentage of these vehicles are protected by fleet management software. Fortunately, this has started to change. There are many facets in a GPS car tracking business that are profitable for entrepreneurs, and that's why you should read this guide, including the benefit of recurring revenue from service subscriptions. Before you start your GPS vehicle tracking business, you should consider several steps that will help your company to succeed. Use this guide to walk yourself through some important steps that you must take to launch a successful GPS vehicle tracking business. Finally, in the last chapter of my guide, I introduce a world-class GPS tracking platform provider vendor that will help you get started and put your new GPS tracking business on the map. They will ensure you're in business for yourself but never by yourself. A link to a demo of their GPS tracking software is provided for you so you can learn how their team of GPS experts can start you up in business.
