### 3 Reasons to DRINK BEER From A Glass

- Taste & Aroma**  
The unique flavors and aromas of beer are best appreciated when served in a glass that allows the head of foam to sit on top, releasing the volatile compounds that create the beer's bouquet.
- Carbonation**  
The effervescence of beer is a key component of its character. A glass that is designed to hold the carbonation in the beer, preventing it from escaping too quickly, will ensure that you get the most out of every sip.
- Appearance**  
The color and clarity of beer are also important factors in its overall quality. A glass that is designed to showcase the beer's appearance, whether it's a golden pilsener or a dark stout, will help you appreciate the visual aspects of the drink.
