Foreign Direct Investment Inflows Into the South East European Media Market Zvezdan Vukanović, 2016-07-25

This book offers a strategic analysis of current and future perspectives of Foreign Direct Investment FDI inflows into the South East European media market. The author develops a hybrid FDI business model strategy to guide media companies wishing to more effectively position and leverage their media infrastructure within the increasingly globalized and expanding media market. By conducting sixteen comparative and exploratory case studies of the South East European media market, the author explores how specific microeconomic factors influence spillover effects, absorption capacities, and investment incentives between local and foreign firms through FDI inflows. The book is directed towards researchers and students as well as practitioners/professionals involved with media organizations.

EBOOK: Managing Brands LAFORÉ, SYLVIE, 2009-12-16. **EBOOK: Managing Brands** *Writing and Language Learning* Rosa M. Manchón, 2020-11-15. The current volume aspires to add to previous research on the connection between writing and language learning from a dual perspective. It seeks to reflect current progress in the domain as well as to foster future developments in theory and research. The theoretical postulations contained in Part I identify and expand in novel ways the diverse lenses through which the varied multi-faceted dimensions of the connection between writing and language learning can be explored. The methodological reflections put forward in Part III signal theoretically grounded and pedagogically relevant paths along which future empirical work can grow. The empirical studies reported in Part II illuminate the myriad of individual, educational, and task-related variables that may mediate short-term and long-term language learning outcomes. These studies examine diverse forms of writing performed in varied environments, including pen and paper and digital writing conditions, writing individually and/or collaboratively, and instructional settings, academic settings, including secondary school and college-level institutions, as well as out-of-school contexts.
