The 2006 federal budget was the first for a new Conservative minority government led by a prime minister from the west As  
a platform for implementing distinctive election promises the 2006 budget offered ample opportunity for rethinking fiscal  
priorities in Canada such as cutting the GST addressing fiscal imbalance with the provinces and finding a different approach  
to childcare and child benefits The papers in this volume examine the political and economic context informing the 2006  
budget as well as lessons from recent U S tax policy debates and a quantitative evaluation of the impact of the overall budget  
package on the Canadian economy Special attention is devoted to alternative federal tax structures fiscal imbalance and the  
recent federal Blue Ribbon report Contributors also look at the new federal policy on childcare and child benefits how the  
budget relates to productivity and competitiveness and general sustainability of the new fiscal plan     The News ,2005-11
