

I am feeling so refreshed. It's wonderful outside! And you are looking so gorgeous Mommy, people might mistake you for a filmstar!

I know, right?

There you go again, trying to charm your Mommy.

Salim had never seen so much beauty in life. He felt like being in paradise.

I never thought I will ever visit Darjeeling Mom. It is so beautiful. The air is so clear!

This is just the beginning baby, we will go to many other places. We will have best vacations!

They roamed the streets, the famous Mall road hand in hand, deeply in love. They walked and walked, sharing little words of affection every now and then, oblivious to the world around.

The beauty of nature, the colors around and their hearts swelling with love made it a sublime experience for them.

However Salim couldn't help but notice, Preetha was getting a lot of Attention.

What happened, why are you stopping?

Mom, a lot of people are staring at you. I am not liking it.

Preetha laughed inwardly for Salim acting so insecure. It was really cute of him to act like a jealous husband.

Hmmm...maybe because I am tall and beautiful. How many girls do you see around who look like me?

Hm...and not to mention those two footballs bursting out of your sweater, people are staring at them the most!

Hmmm...sigh what to do, your wife-mother is a big girl!! You want a divorce?

Grrr...Shut up. Don't even say that!

Preetha loved teasing Salim every now and then.

**Ravishment of Reason** Brandon Chua,2014-09-11 Ravishment of Reason examines the heroic dramas written for the restored English theatres in the later seventeenth century reading them as complex and sophisticated responses to a crisis of public life in the wake of the mid century regicide and revolution The unique form of the Restoration heroic play with its scenes of imperial conquest peopled by hesitating and indecisive heroes interrogates traditional oppositions of agency and passivity autonomy and servility that structure conventional narratives of political service and public virtue exploring in the process new and often unsettling models of order and governance Situating the dramas of Dryden Behn Boyle Lee and Crowne in their

historical and intellectual context of civil war and the destabilizing theories of government that came in its wake Brandon Chua offers an account of a culture's attempts to reconcile civic purpose with political stability after an age of revolutionary change *The Hound & Horn*, 1928 Vol 1 includes Advance issue **The Comics Journal**, 2009 **Imagining Mary** Daniel Rancour-Laferriere, 2017-11-15 *Imagining Mary* breaks new ground in the long tradition of Christian mariology The book is an interdisciplinary investigation of some of the many Marys East and West from the New Testament Mary of Nazareth down to Our Lady of the Good Death in the twentieth century In *Imagining Mary* Professor Rancour Laferriere examines the mother of God in her multireligious and pan historical context The book is a scholarly study but it is written in a clear straightforward style and will be comprehensible to an educated and above all intellectually curious general audience It will appeal to anyone who has ever wondered for example about the flimsy scriptural basis of many beliefs about Mary or the tendency of many mariologists to depict Mary as an incestuous bride of Christ or the theological notion of Mary's loving consent to her son's crucifixion or the idea that Mary was a priest officiating at the sacrifice of her son or the unfortunate association of Mary with Christian anti semitism or the curious appeal of Mary to the terminally ill and so on Special attention is given to the psychology of representations of Mary such as the psychological basis for promoting Mary to the status of a goddess the psychology of Mary's compassion for her son at the foot of the cross and the psychological conflict in Mary's personal relationship with her son Jesus These topics are admittedly diverse but they all have long been on the minds of mariologists The author takes a questioning approach to received wisdom about marian themes including the assumption that one has to be a theist in order to understand the great appeal of Mary down the centuries Indeed *Imagining Mary* may be regarded as a first step in the direction of an atheist mariology **Pierre the Ambiguous** Samuel Foster Damon, 1928
