

A collection of geological tools and specimens is arranged on a wooden surface. On the left, there is a silver compass with a white face and a black needle. In the center, a black magnifying glass is positioned over a rock sample. To the right, a black rock hammer lies horizontally. Scattered around these tools are several rock samples of various colors and textures, including dark grey, light grey, brown, and a prominent greenish-blue rock in the foreground. The background is a dark, textured wooden surface.
