

# Symbols in *A Lesson Before Dying*

## Example Symbol Dissection:

**Symbol:** food/coffee

**How a book brainstorms about symbols:** Offering someone coffee or food invites or reinforces a sense of community, of togetherness. Getting together for coffee is often a first date, trying to get to know someone.

**Historical Context of symbol in book:** In 1942, the US rationed food. This story takes place post 1942, so the ration would have just ended. Coffee, especially for the people that live in the quarter, would be quite the commodity.

**Occurrence of symbol in book:** (1) Grant refuses coffee throughout the novel—Louis's coffee, Mrs.'s coffee, Emma's coffee. (2) When, on her first visit to the quarter, politely accepts coffee even though she does not want it. (3) Jefferson's refusal to eat the food Emma has prepared for him is another instance.

**Possible meanings of symbol in book:** Grant wants to stand outside the community, and not be a part of it. He is rejecting the community he comes from. Jefferson is rejecting being a part of his community, because he has accepted that he is not a man, but a hog, which gets accepted into Grant's family/community when she accepts the coffee, she wins their approval on that visit. She also does not want to run away like Grant.

**Possible thoughts the symbol supports:** The sharing of food brings people together. Food doesn't just sustain people BUT sustains a community. A sense of community is what can save Jefferson. Grant has to decide whether or not to run away from himself in the community.
