

A BRIEF HISTORY of
THE ROMANS

Second Edition

WILEY-BLANKENHORN

A Brief History Of The Romans

William Morris

A Brief History Of The Romans:

A Brief History of the Romans Mary Taliaferro Boatwright, Daniel J. Gargola, Richard J. A. Talbert, 2006 This shorter version lucidly unfolds Rome's remarkable evolution through monarchy republic and then an empire that at its height stretched from Scotland to Iraq and the Nile Valley Concise narrative integrates the political military social and cultural landmarks of over 1 500 years from the early struggles against the Etruscans Samnites and Gauls to the sack of Rome by Alaric and his Visigoths

A Brief History of the Roman Empire Stephen P. Kershaw, 2013-06-20 In this lively and very readable history of the Roman Empire from its establishment in 27 BC to the barbarian incursions and the fall of Rome in AD 476 Kershaw draws on a range of evidence from Juvenal's Satires to recent archaeological finds He examines extraordinary personalities such as Caligula and Nero and seismic events such as the conquest of Britain and the establishment of a New Rome at Constantinople and the split into eastern and western empires Along the way we encounter gladiators and charioteers senators and slaves fascinating women bizarre sexual practices and grotesque acts of brutality often seen through eyes of some of the world's greatest writers He concludes with a brief look at how Rome lives on in the contemporary world in politics architecture art and literature

A Brief History of the Roman Empire Stephen Kershaw, 2013

A Short History of the Hebrews to the Roman Period Robert L. Ottley, 1904

A Short History of Roman People William Francis Allen, 1891

A Brief History of the Painters of All Schools Louis Viardot, 1877

REFORM, REVOLUTION, REACTION. A SHORT HISTORY OF ROME FROM THE ORIGINS OF THE SOCIAL WAR TO THE DICTATORSHIP OF SULLA Frederik Juliaan Vervaeke, 2023-11-09 In 133 and 123 122 BCE the Gracchan reforms opened three cans of worms pitting the Roman landowning elites against their poorer compatriots Roman economic interests against those of the Italian allies and senators against equestrians As these cumulative divisions threatened to coalesce into a perfect storm the noble and wealthy tribune of the plebs M Livius Drusus in 91 boldly proposed a comprehensive if costly New Deal The eventual annulment of Drusus' visionary reform package set the stage for the armed rebellion of Rome's key Italian allies Even before the conclusion of this gargantuan struggle in 87 the deep divisions Drusus and his backers had sought to resolve compounded by political discontent among the enfranchised Italians caused the Roman polity to descend into a series of devastating civil wars terminated in 82 81 by Sulla's vindictive victory and reactionary new settlement Offering a novel narrative analysis of the pivotal events of this well known but often poorly understood period this book seeks to demonstrate how the time from Livius Drusus' tribunate of the plebs to Sulla's unparalleled dictatorship was marked by momentous reform and experimentation and suggests that the former's fateful failure arguably represents the moment the Romans lost their ancestral Republic
