Choosing Transitional Expression Some transitional words and transitional phrases belong to more than one category. A transitional expression can change the whole meaning of a sentence. Therefore you should choose the transition that best conveys your meaning. You should also avoid repetition and use different transition words or phrases in the same category if necessary.

Placing transitional words There are three options for placing transitional words: The beginning of a sentence, Most common; The middle of a sentence; The end of a sentence, Least Common.

Example: Their products come with an insurance pack that covers accidental damage, theft, and breakage for a year. Furthermore, customers can also avail of an additional year of warranty.

Use of the transitional word furthermore at the beginning of a sentence: Their products come with an insurance pack that covers accidental damage, theft, and breakage for a year. Customers furthermore can also avail of an additional year of warranty.

Use of the transitional word furthermore in the middle of a sentence: Their products come with an insurance pack that covers accidental damage, theft, and breakage for a year. Customers can also avail of an additional year of warranty furthermore.

Use of the transitional word furthermore in the end of a sentence: Their products come with an insurance pack that covers accidental damage, theft, and breakage for a year. Customers can also avail of an additional year of warranty furthermore.
