the holistic exercise system called Pilates Includes a self assessment and presents the principles of Pilates as well as thirty
six step by step sequences **Menopause For Dummies** Marcia L. Jones, Theresa Eichenwald, 2002-11-15 As baby boomers
hit their late forties and fifties women are entering menopause in record numbers Soon for the first time in history there will
be more women beyond menopause than have yet to go through it Yet amazingly getting reliable practical information about
menopause isn't easy Usually the only information you're likely to find is in the glossy brochures from pharmaceutical
companies scattered around your gynecologist's waiting room If you're really persistent you can hunt down an article or two
in medical journals but it's a safe bet that you'll be sound asleep long before you find straightforward answers even to one of
your practical questions Whether you're going through the change have already been there or are about to start off down
that road you'll find the information you need in Menopause For Dummies In plain English it covers all the health issues and
therapy choices that confront women during the menopausal years It helps you Put menopause in perspective Understand
how it can affect your body emotions and libido Evaluate your risk of disease Know all your therapy options Make sense of
the hormone therapy debate Ask intelligent questions and discuss your alternatives with your doctor Make smarter life style
choices Live a long healthy life Menopause For Dummies gives you accurate up to date information from the most credible
sources including the latest medical studies without a lot of technical jargon You get straightforward advice and guidance on
Recognizing the signs of menopause Preventing and treating osteoporosis Cardiovascular disease and menopause Vaginal
and urinary changes during menopause The effects of menopause on your skin hair and nasal cavities Menopause and your
sex life Hormone therapy and heart disease breast cancer and other cancers Alternative therapies Menopause and good
nutrition The benefits of exercise during menopause Menopause is not a disease and it doesn't have to be a harbinger of
accelerated aging and declining health Menopause For Dummies gives you the information you need to take charge of your
menopause and make this transition as comfortable and healthy as possible Migraines For Dummies Diane
Stafford, Jennifer Shoquist, 2003-01-31 If you get migraines you know how laughable it is to hear them described as
headaches As one poet put it the migraine is a beast from Hell a bone crushing brain twisting heart rending apocalyptic
scourge an insult to all that's holy And that's putting it mildly People have been trying to tame the migraine beast for
thousands of years Some early healers bored holes into their patients skulls the Greeks inhaled the smoke of burning coffee
