Criticism and Literary Theory 1890 to the Present Chris Baldick,2014-06-11 Presents a coherent and accessible historical account of the major phases of British and American Twentieth century criticism from decadent aestheticism to feminist deconstructionist and post colonial theories Special attention is given to new perspectives on Shakespearean criticism theories of the novel and models of the literary canon The book will help to define and account for the major developments in literary criticism during this century exploring the full diversity of critical work from major critics such as T S Eliot and F R Leavis to minor but fascinating figures and critical schools Unlike most guides to modern literary theory its focus is firmly on developments within the English speaking world *History of the Dance in Art and Education* Richard G. Kraus,Sarah

Chapman Hilsendager,1991 One of the most striking aspects of the cultural scene in the United States today has been the rapid growth of dance both as a performing art and as a form of creative education This book depicts that growth in detail and presents an accurate picture of dance in American culture today This book examines the history and current status of dance as a performing art and also its other important functions in society Performers seeking to explore and learn more about their art Also a good tool for educators seeking to incorporate dance in their curriculum **Philological Papers**

,1996 Four Dance Subcultures Pipsa Nieminen,1998 Yhteenveto *Embodied Practices* Kathy Davis,1997-09-15 This book focuses on the significance of the body in contemporary feminist scholarship In recent years the body has become a hot item in both contemporary social theory and research This renewed interest has received a mixed reaction from feminists While the body may be back the new body theory often proves to be just as disembodied as it ever was The body revival seems to be less an attempt to re embody masculinist science than just another expression of the same condition which evoked the feminist critique in the first place a flight from femininity and everything that is associated with it in western culture Embodied Practices offers a critical appraisal of the recent body revival drawing upon

insight **Ballet 101** Robert Greskovic,1998-03-30 Following in the best selling footsteps of Opera 101 BALLETT 101 takes an already popular yet occasionally intimidating subject and makes the culture accessible and understandable for anyone Here noted dance critic and teacher Greskovic has written a reader friendly book containing everything a novice needs to know to watch and enjoy ballet but is rich enough to interest someone with a stronger knowledge of dance Includes a 300 year history of the dance form an extensive look at fourteen popular and important ballets bibliography videography and more Dancers and

Choreographers Leslie Getz,1995 Covers the full range of English language dance book literature published in the twentieth century as well as all the scholarly periodicals in the field from the United States Great Britain Canada and Australia

*Bibliographic Guide to Dance* New York Public Library. Dance Collection,1987 **Will Modern Dance Survive?** Beth Soll,2002 **Techniques of Close Reading** Barry Brummett,2018-04-19 Techniques of Close Reading Second Edition helps students gain a deeper understanding of what texts may be saying whether they are written oral visual or mediated

Renowned scholar and professor Barry Brummett explains and explores the various ways to read messages such as speeches, cartoons, or magazine ads, teaching students how to see deeper levels of meaning and to share those insights with others. Students learn techniques for discovering form, rhetorical tropes, argument, and ideologies within texts. New to the Second Edition: A new Chapter 6 includes a selection of techniques from each chapter to show students how different techniques may be used together when reading text. A close reading of a group of ads from the insurance company Liberty Mutual offers students an opportunity to apply the techniques to recent texts.
