## World War 1 D:

Germany's Defeat in the First World War Mark D. Karau, 2015-05-12 A noted World War I scholar examines the critical decisions and events that led to Germany's defeat arguing that the German loss was caused by collapse at home as well as on the front. Much has been written about the causes for the outbreak of World War I and the ways in which the war was fought but few historians have tackled the reasons why the Germans who appeared on the surface to be winning for most of the war ultimately lost. This book in contrast presents an in-depth examination of the complex interplay of factors social cultural military economic and diplomatic that led to Germany's defeat. The highly readable work begins with an examination of the strengths and weaknesses of the two coalitions and points out how the balance of forces was clearly on the side of the Entente in a long and drawn-out war. The work then probes the German plan to win the war quickly and the resulting campaigns of August and September 1914 that culminated in the devastating defeat in the First Battle of the Marne. Subsequent chapters discuss the critical factors and decisions that led to Germany's loss including the British naval blockade the role of economic factors in maintaining a consensus for war and the social impact of material deprivation.

the signal event of modern world history In 1929 Joseph Stalin having already achieved dictatorial power over the vast Soviet  
Empire formally ordered the systematic conversion of the world s largest peasant economy into socialist modernity otherwise  
known as collectivization regardless of the cost What it cost and what Stalin ruthlessly enacted transformed the country and  
its ruler in profound and enduring ways Building and running a dictatorship with life and death power over hundreds of  
millions made Stalin into the uncanny figure he became Stephen Kotkin s *Stalin* Waiting for Hitler 1929 1941 is the story of  
how a political system forged an unparalleled personality and vice versa The wholesale collectivization of some 120 million  
peasants necessitated levels of coercion that were extreme even for Russia and the resulting mass starvation elicited

criticism inside the party even from those Communists committed to the eradication of capitalism But Stalin did not flinch By 1934 when the Soviet Union had stabilized and socialism had been implanted in the countryside praise for his stunning anti capitalist success came from all quarters Stalin however never forgave and never forgot with shocking consequences as he strove to consolidate the state with a brand new elite of young strivers like himself Stalin s obsessions drove him to execute nearly a million people including the military leadership diplomatic and intelligence officials and innumerable leading lights in culture While Stalin revived a great power building a formidable industrialized military the Soviet Union was effectively alone and surrounded by perceived enemies The quest for security would bring Soviet Communism to a shocking and improbable pact with Nazi Germany But that bargain would not unfold as envisioned The lives of Stalin and Hitler and the fates of their respective dictatorships drew ever closer to collision as the world hung in the balance Stalin Waiting for Hitler 1929 1941 is a history of the world during the build up to its most fateful hour from the vantage point of Stalin s seat of power It is a landmark achievement in the annals of historical scholarship and in the art of biography *Report* Connecticut.
