The Passive Income BluePrint Adidas Wilson,2019-04-28 Passive income is becoming more popular by the day However many people still do not understand how beneficial it is Believe it or not making money in your sleep is not the biggest benefit This book outlines more important reasons why everyone should seek a passive income stream or be in the process of creating one I also offer semi passive strategies Planning for retirement should not be a huge headache unless you think that you can only prepare for retirement by saving If a sudden change in your life or the economy happens your savings may not be very helpful in retirement It is no secret that savings are just not enough You will have

unexpected expenses especially in your old age and you are likely to underestimate the amount you should save People are living longer nowadays but that should not mean they want to work more years A passive income stream means that you will have constant cash flow You will be getting an amount of money regularly unlike with savings It will be like getting a paycheck without actively working
