Advanced Excel Essentials:

Advanced Excel Essentials Jordan Goldmeier, 2014-11-10 *Advanced Excel Essentials* is the only book for experienced Excel developers who want to channel their skills into building spreadsheet applications and dashboards. This book starts from the assumption that you are well versed in Excel and builds on your skills to take them to an advanced level. It provides the building blocks of advanced development and then takes you through the development of your own advanced spreadsheet application. For the seasoned analyst, accountant, financial professional, management consultant, or engineer, this is the book you've been waiting for. Author Jordan Goldmeier builds on a foundation of industry best practices, bringing his own forward-thinking approach to Excel and rich real-world experience to distill a unique blend of advanced essentials. Among other topics, he covers advanced formula concepts like array formulas and Boolean logic and provides insight into better code and formulas development. He supports that insight by showing you how to build correctly with hands-on examples. **Excel**

Essential Skills English Workbook Kristine Brown, 2004-10 This book aims to improve students' writing and give practical help with writing tasks in Year 10 and later years at school. The topics and text types covered in the book are designed to help students in their writing tasks for all school subjects, not just English. This is a revised and extended edition with over thirty extra pages of work for students to complete. In this book, you will find a focus on fifteen different text types: Writing skills, Grammar, and punctuation explanations and exercises, Comprehension work, A detailed answer section. **Excel**
