Robert s commitment to the personal training business earned him the honor of serving the National Strength and Conditioning Association as their Northern California State Director 2010 2012 Robert has his masters degree in personal training his bachelors degree in kinesiology is a certified strength and conditioning specialist with distinction a certified NSCA certified personal trainer with distinction as well as a certified USA Weightlifting Level I coach I have grown tired of all the fads and myths of the certified personal training business and decided I would put out a email to all my clients discussing a topics like site specific reduction or crash diets The support I received after sending out the first newsletter inspired me to keep writing My goal is to change the way people think of fitness I call it the fitness revolution This book is a combination of education experience and research all put together and thrown down on paper These are my confessions as a certified personal trainer Many trainers will not tell you information like you will read in this book That is why I call it a revolution We are breaking away from the norm and developing something new With science and research as my guide I will educate you on a new way to train the right way to training **Every Day Is Game Day** Mark Verstegen,Peter Williams,2014-01-02 Noted sports performance expert and bestselling author of Core Performance Verstegen reveals the training program he uses with elite athletes and U S Special Operations Forces As founder and president of EXOS Mark Verstegen has trained the world s top

athletes in sports including the NFL Major League Baseball and worldwide soccer powers along with the most elite tactical athletes U S Special Operations Forces personnel More than a decade ago Versteegen s groundbreaking book Core Performance revolutionized the fitness industry and made core conditioning and functional training mainstream In his new book Versteegen presents his most hardcore program yet a demanding system that challenges readers to perform at the highest level Borrowing heavily from his regimens used by the military and NFL combine hopefuls Versteegen breaks the system down into tough but easy to follow workouts that help readers become faster more explosive and more powerful while moving with greater efficiency and with far less potential for injury If you ve ever wanted to perform like the top sports champions or elite fighting forces this is the book for you **The Personal Trainer'S Legal Bible** Gary W.

Pitts,2014-01-07 PERSONAL TRAINERS are not just fitness professionals they could be the saviours of the global health care systemlife changers As pioneers in this budding field in the health and wellness industry trainers face misinformation and myths about the fitness industry Whats more due to negative portrayal in the media the common perception of personal trainers is less than stellar This situation coupled with the relative lack of regulation means that there are many legal issues that you must be aware of in order to stay safe in your day today practice As is the case for any practitioner of a health related profession you must be aware of the legal ramifications of your decisions and advice But the legal education provided to personal trainers is virtually nonexistent In this guidebook author Gary Pitts a master strength coach and Canadas premier fitness lawyer provides the knowledge you need for your practice Following the principles of MISS make it simple stupid Gary has compiled information on the entire spectrum of fitness specific legal issues most of which are largely unknown or misunderstood by even the most seasoned veterans in the personal training industry If youre serious about your personal training career explores these important issues and start building your protective legal strategies now [Five Alive](#)

Dr.Charles Lemon,2020-01-08 We are at a crossroads in health care as many of us suffer from hard to treat health conditions and multisystem diseases and syndromes that are on the rise Modern medicine and technology have failed at keeping us healthy and or improving many conditions like cancer heart disease diabetes metabolic syndrome autoimmune disease depression allergies and dementia to name only a few We have abandoned the way our bodies are designed to stay healthy In reality many orthodox and standard treatments disrupt or bodies normal function and promote these very disorders The answers to many of your health concerns are literally right in front of you in the way you move eat and sleep Small changes can have a great impact Five Alive offers these small changes The goal of Five Alive is to change the standard We have the knowledge and you have the power A single choice each day can make a profound change in your health Five Alive offers a new approach not previously seen Simple safe scientific and low cost actions in each of the three areas of moving eating and sleeping The uniqueness of Five Alive is offered by way of synergy which the recommended actions interacting with the others creating a compound effect Five Alive is not a diet plan or an exercise regime Five Alive can be incorporated into any

health and or fitness program diet and or lifestyle and can be used by the very young to the most senior populations This work has its genesis in the need of those seeking easy to follow safe and scientific actions to address their concerns about health issues associated with moving eating and sleeping mood We have taken twenty eight years of suggestions twenty eight years of research education and personal experience and have developed a plan we call Five Alive We have condensed our knowledge and our expertise and have simplified the complex confusing and at times contradictory advice regarding moving eating and sleeping diet exercise and mind We liken this book to a finished statue Initially a large chunk of marble chiseled away over a long period to reveal a simple beautiful piece of work Everyone moves everyone eats and everyone sleeps How well you do each of these will determine how healthy you are
