last leg of all technical competitive exams including GATE ESE and PSUs require brushing of concepts and quick revisions. However, with bulky books, the same is not possible. You can and probably have already missed key formulae and ended up with not so good results. To make your life easy, GKP has come up with Handbook series for Mechanical Engineering, Civil Engineering, Electrical Engineering, Computer Science Engineering, and Electronics and Communications Engineering. Our Handbook for Civil Engineering serves as a quick reference guide to brush up key concepts. It also helps you revise the entire syllabus quickly in limited time. Civil engineering is a sought-after branch in major PSUs, and several students write its paper annually. We hope that the book is immensely useful for students aiming to clear competitive examinations and for students looking for exam preparation material to revise various concepts. Key features of the book include:

- a Last minute prep aspects
- b Formulae with conceptual clarity
- c Definitions and equations with explanatory notes
