Geotechnical Engineering Jobs:

Careers in Focus: Alternative Energy, Third Edition Ferguson, 2021-06-01 Ferguson's Careers in Focus books are a valuable career exploration tool for libraries and career centers. Written in an easy-to-understand yet informative style, this series surveys a wide array of commonly held jobs and is arranged into volumes organized by specific industries and interests. Each of these informative books is loaded with up-to-date career information presented in a featured industry article and a selection of detailed professions articles. The information here has been researched, vetted, and analyzed by Ferguson's editors drawing from government and industry sources, professional groups, news reports, career and job search resources, and a variety of other sources. For readers making career choices, these books offer a wealth of helpful information and resources. Each profession article includes Quick Facts, a snapshot of important job facts; Overview, which briefly introduces duties and responsibilities; History, which describes the origins and history of the job; The Job, which describes primary and secondary goals and duties; Earnings, which discusses salary ranges and typical fringe benefits; Work Environment, which looks at typical work conditions and surroundings associated with the job; Exploring, which offers suggestions on how to gain experience and knowledge about or even test-drive a career before making a commitment; Education and Training Requirements, which discusses required high school and post-secondary education and training; Certification, Licensing, and Special Requirements, which explains recommended and required certifications or prerequisites for the job; Experience, Skills, and Personality Traits, which summarizes the personal traits and skills and professional experience needed to get started and succeed; Employer Prospects, which gives an overview of typical places of employment and the best ways to land a job; Advancement Prospects, which presents an expected career path and how to travel it; Outlook, which summarizes the job's potential growth or decline in terms of the general economy and industry projections; Unions and Associations, which lists essential and helpful professional groups; Tips for Entry, which provides additional tips for preparing for a career and getting a foot in the door; For More Information, which lists organizations that provide career information, networking, and professional development; and Sidebars, which are short features showcasing stats, trivia, and insight about a profession or industry.
