Magnum Contact Sheets:

Magnum Contact Sheets Kristen Lubben, Philippe Halsman, 2011-10-01 Collector's Edition packaged in a presentation case with a numbered contact sheet featuring Philippe Halsman's *Dal Atomicus* 1948. Each contact sheet is embossed with Magnum Photo Collections on the white border and hand stamped with the photographer's copyright on the verso. Produced to the exacting demands of Magnum's own print room and with the approval of the individual photographers or estates involved, these contact sheets provide an exceptional insight into the creation of truly great photographs. This special and important photography book presents for the first time the very best contact sheets created by Magnum photographers. Contact sheets tell the truth behind a photograph. They unveil its process and provide its back story. Was it the outcome of what a photographer had in mind from the outset? Did it emerge from a diligently worked sequence or was the right shot down to pure serendipity, a matter of being in the right place at the right time? This landmark publication provides the reader with a depth of understanding and a critical analysis of the story behind a photograph, the process of editing it, and the places and ways in which the selected photographs were used. For anyone with a deep appreciation of photography and a desire to understand what goes into creating iconic work, *Magnum Contact Sheets* will be regarded as the definitive volume. With 435 illustrations in total, 230 in colour, including over 3,600 frames on 139 contact sheets. *Magnum Contact Sheets* Kristen Lubben, Magnum Photos, 2014. Offers unique insight into the working progress of the celebrated agency's photographers over the past seven decades, their approach to taking and editing their pictures, as well as their idiosyncratic relationships with the contact sheet. **TIME** *Magnum Contact Sheets* Kristen Lubben, Eve Arnold, 2011-10-01 Collector's Edition packaged in a presentation case with a numbered contact sheet featuring Eve Arnold's *Joan Crawford* 1959. Each contact sheet is embossed with Magnum Photo Collections on the white border and hand stamped with the photographer's copyright on the verso. Produced to the exacting demands of Magnum's own print room and with the approval of the individual photographers or estates involved, these contact sheets provide an exceptional insight into the creation of truly great photographs. Translating Apollinaire Prof. Clive Scott, 2015-03-26 Translating Apollinaire delves into Apollinaire's poetry and poetics through the challenges and invitations it offers to the process of translation Besides providing a new appraisal of Apollinaire the most significant French poet of WWI Translating Apollinaire aims to put the ordinary reader at the centre of the translational project It proposes that

translation's primary task is to capture the responses of the reader to the poetic text and to find ways of writing those responses into the act of translation. Every reader is invited to translate and to translate with a creativity appropriate to the complexity of their own reading experiences. Throughout Scott himself consistently uses the creative resource of photography and more particularly photographic fragments as a cross-media language used to help capture the activity of the reading consciousness.

Good Pictures Kim Beil, 2020-06-23 A picture-rich field guide to American photography from daguerreotype to digital. We are all photographers now with camera phones in hand and social media accounts at the ready. And we know which pictures we like. But what makes a good picture? And how could anyone think those old styles were actually good? Soft-focus yearbook photos from the 80s are now hopelessly and happily outdated, as are the low-angle portraits fashionable in the 1940s or the blank stares of the 1840s. From portraits to products, landscapes to food pics, *Good Pictures* proves that the history of photography is a history of changing styles. In a series of short, engaging essays, Kim Beil uncovers the origins of fifty photographic trends and investigates their original appeal, their decline, and sometimes their reuse by later generations of photographers. Drawing on a wealth of visual material from vintage how-to manuals to magazine articles for working photographers, this full-color book illustrates the evolution of trends with hundreds of pictures made by amateurs, artists, and commercial photographers alike. Whether for selfies or sepia tones, the rules for good pictures are always shifting, reflecting new ways of thinking about ourselves and our place in the visual world.

Magnum Kristen Lubben, 2011
Britannica Book of the Year 2013 Encyclopaedia Britannica, Inc., 2013-03-01 The *Britannica Book of the Year 2013* provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever-changing populations, governments, and economies throughout the world.
