Foreign Direct Investment and Regional Development in East Central Europe and the Former Soviet Union

David Turnock,2017-11-28 With the achievement of further EU and NATO enlargement a critical political and economic lens is now focused on East Central Europe and to a lesser extent the other former communist states Economic growth in each transition state and more broadly the region pivots around the prospects for foreign direct investment FDI with decisions on where foreign investors will locate their projects now vitally important This book the first one devoted to a geographical survey concentrating specifically on FDI in the region brings together a wide range of prominent authors from the US and Europe including the late Frank Carter to provide a timely and critical examination of the importance of foreign investment It presents a detailed analysis of location patterns and their significance for regional development with particular emphasis given to the important socioeconomic and political consequences of uneven distribution of FDI across the region and its constituent countries Divided into two parts the book first deals with general overarching themes and issues before applying these to more specific country case studies The second part deals with regional studies focusing broadly on the Western Balkans and Bulgaria before looking at specific economic sectors in individual countries *Opel Astra and Zafira (Swedish) Service and Repair Manual* Haynes,2014-11-27 This is one in a series of manuals for car or motorcycle owners Each book provides information on routine maintenance and servicing with tasks described and photographed in a step by step sequence so that even a novice can do the work **The Automotive Industry and the Environment** P Nieuwenhuis,P

Wells,2003-07-25 The automotive industry currently faces huge challenges The fundamental technological paradigm it relies on volume production has become progressively more unprofitable in the face of increasingly segmented niche markets At the same time it faces increasing regulatory and social pressures to improve both the sustainability of its products and methods of production Building on a wealth of research The automotive industry and the environment addresses those challenges and how they can be met in producing a sustainable and profitable industry for the future The authors first discuss the development of the automotive industry and the problems it currently faces They then consider the solutions the industry can adopt The book reviews trends in more environmentally friendly technologies such as the use of more sustainable fuel sources and new types of modular design with built in recyclability However these technologies can only be fully exploited if methods of manufacture change The book also describes models of decentralised production particularly the micro factory retailing MFR model which provide an alternative to volume production and promise to be both more sustainable and more profitable The automotive industry and the environment provides both a cogent diagnosis of the

environmental and other problems facing the industry and a blueprint for a better future It will be widely welcomed by the industry policy makers and all those concerned with sustainable transport Addresses the challenges facing the automotive industry from the increasing unprofitability of volume production to regulatory and social pressures to improve environmental and product sustainability Examines how the automotive industry can meet the current challenges in producing a sustainable and profitable industry for the future Reviews trends in more environmentally friendly technologies such as the use of more sustainable fuel sources and new types of modular design with built in recyclability **Jane's All the World's Aircraft** ,1930 *Ukraine Industrial and Business Directory Volume 1 Strategic Information and Contacts* IBP, Inc., Vauxhall/Opel Astra and Zafira Petrol Service and Repair Manual ,2014-07 Covering all aspects of maintenance repair and routine servicing tasks this guide to the Vauxhall Opel Astra and Zafira features technical information and specifications for petrol cars built between 1998 and 2004 **Absees** ,1992 Vols for 1977 include microfiche in pockets **Business Periodicals Index** ,2005
