From my research and experience certain types of posts get more shares than others so I've made sure to include handfuls of those in this book. You can jump into the book at any page in no particular order whether you're just getting started with your blog or not. You can use the topics as is or even get a little creative and add your own spin on them. Enjoy your blogging journey!

Blogging for Beginners: Learn How to Start and Maintain a Successful Blog the Simple Way

In recent years, Blogging has become one of the most widely used words on the internet and in books. In this book, we will explore many facets of blogging which will help to kick start your goal of becoming a success story in blogging or at least familiarize yourself with this new internet craze. This is an ultimate beginner's guide to blogging because it starts where other books never start. In this book, I do not make assumptions about what the reader knows. First, we will explore exactly what a blog is. You cannot start a blog if you do not know what it is. We will then discuss several reasons why different people start blogging: from wanting to get their voice out to the masses to establishing a profitable business venture. As we delve further into the topic, this book will introduce you to the many different types of blogs that you can start when you begin your journey, and then we will discuss the ingredients of a good blog. Lastly, we will explore the technicalities of setting up a blog and how to promote and monetize your new blog.
