Making Shapely Fiction Jerome Stern:

Making Shapely Fiction Jerome H. Stern, 1991 Beginning as well as seasoned writers will find inspiration and valuable guidance in Stern's guide to the basic principles of fiction writing This critically acclaimed reference stresses the importance of finding spontaneity and the writer's own personal path to creative expression

Micro Fiction Jerome H. Stern, 1996 Ten years ago Jerome Stern director of the writing program at Florida State initiated the World's Best Short Short Story Contest Stories were to be about 250 words long first prize was a check and a crate of oranges Two to three thousand stories began to show up annually in Tallahassee and National Public Radio regularly broadcast the winner But more important the Micro form turned out to be contagious stories of this lack of length now dot the literary magazines The time seemed right then for this anthology presenting a decade of contest winners and selected finalists In addition Stern commissioned Micros persuading a roster of writers to accept the challenge of completing a story in one page Jesse Lee Kercheval has a new spin on the sinking of the Titanic Virgil Suarez sets his sights on the notorious Singapore caning George Garrett conjures up a wondrous screen treatment pitch and Antonya Nelson invites us into an eerie landscape Verve and nerve and astonishing variety are here with some wild denouements How short can a Micro be you wonder Look up Amy Hempel's contribution and you'll see

[Turning Life Into Fiction](#) Robin Hemley, 2006-05-02 With lively style good humor and insight Robin Hemley helps you turn all that you experience into fresh and powerful fiction By learning to reimagine you'll focus on translating real world people and events into characters and scenes that happen on paper for the first time You'll think what if instead of what is in order to take control of your material and cut loose the inhibitions of real life In these pages you'll learn how to hone your observation skills and fill your journal with rich and vivid details Because as Hemley writes Life is in the details and so is good fiction You'll see how to decide which ideas to bring to fiction and which ones to let go And you'll learn how to find the right form novel short story vignette memoir for the story you want to tell use triggers to start your reader's imagination rolling keep your fiction emotionally honest by making the right choices between the way it happened and what the story dictates ask Is it believable not Did it happen create composites of real people and places that fit the unique needs of your story and empower your imagination focus your fiction Make sure everything every character counts and eliminate people who sit at the end of the bar without a role to play fictionalize ethically and legally other people's stories Learn your rights as a writer versus their rights to privacy Can you use actual names When do you need to get permission To illustrate how writers feed their fiction with reality Hemley uses examples from his own work and from fiction masters of yesterday and today At the end of each chapter challenging exercises help you apply the basic theories and push them even further An adventurous read *Turning Life Into Fiction* will help you create fiction that's just as strange and wonderful and real as the life that inspires it

Novel Metamorphosis Darcy Pattison, 2016-05-10 Congratulations You've finished a novel What an accomplishment Now what Now you need an innovative in depth guide to revision Why Revise Before revision Nice Story After

revision Richer deeper the novel of your dreams Novice or Seasoned For aspiring novelists mid list novelists who want to break out novelists who want to self publish successfully writers who have completed NaNoWriMo but don t know what to do next and writing critique groups looking for a way to help each other to the next level Revising has never been easier Systematically inventory and diagnose your manuscript Visually manipulate your manuscript to identify problems Transform dull characters into fascinating memorable people Strengthen the narrative and emotional arcs Sharpen dialogue Morph dull settings into backdrops that set the mood Enliven narrated events by selecting the right details Use language with confidence Add depth with narrative patterning In depth professional development Plan your novel s metamorphosis The Results A stronger richer deeper story a story that makes readers weep and cry and turn the next page Novel Metamorphosis unlike most books on revision turns theory into radical new tools which are practical tangible concrete Cut straight to the heart of your manuscript s problem Develop your writing and editing skills Understand the critical underlying structure of your story Learn theory as you work Spark in depth discussions in your critique group

Building Fiction Jesse Lee Kercheval,2003 No one looks at structure like Jesse Lee Kercheval She builds a work of fiction just as an architect would design a house with an eye for details and how all parts of a story or novel interconnect Even with the most dynamic language images and characters no piece of fiction will work without a strong infrastructure Kercheval shows how to build that structure using such tools as point of view characterization pacing and flashbacks Building Fiction will help you envision the landscape of your fiction and build great stories there

Animated Performance Nancy Beiman,2010-09-15 Animated Performance discusses the fascinating process of bringing animated characters to life This unique introduction to the art of animated performance explores the power of animation to portray an almost unlimited variety of characters

Dispatches from the Classroom Chris Drew,Joseph Rein,David Yost,2011-12-08 With emphasis on practical classroom application this up to date and refreshingly honest collection of essays is a wonderful resource for teaching creative writing

The Art and Craft of Fiction Michael Kardos,2013-02-11 Brief practical and wonderfully readable The Art and Craft of Fiction gives aspiring writers all they need in under 400 pages Michael Kardos focuses on technique and presents fiction writing as a teachable and learnable art With an organization built on methods and process rather than traditional literary elements Kardos helps students begin their stories write strong scenes use images and detail revise for aesthetics and mechanics and finish and polish their own stories He delivers clear instruction effective examples and assignments that build toward finished work in a tone reviewers praise as pitch perfect A brief fiction anthology at the back of the book of 15 works that Kardos draws on in his instruction provides stories that students will love to be inspired by

Writing on the Edge ,1991

Mutes & Earthquakes Bill Manhire,1997 An anthology of writing from 70 writers who have been involved with the editor s writing course Contributions are included from many of the most well known contemporary writers along with essays on creative writing and Manhire s own introduction exercises and notes Brief biographical notes are given for most of the

writers

Creative Writer's Handbook Philip K. Jason, Allan B. Lefcowitz, 2004 This handbook is the perfect reference for beginning creative writers. It offers abundant illustrations, exercises, and useful techniques in all genres. While emphasizing problem solving and the mastery of literary conventions, this handbook also takes the apprentice writer on a journey from inspiration to revision. Explores the work of classic, modern, as well as active contemporary writers through examples of effective stories, essays, poems, and plays. An extensive look at fundamental creative writing issues includes attitudes, habits, journal keeping, point of view, language, invention, and research, and more. Appropriate for apprentice creative writers.

The English Teacher's Companion Jim Burke, 2003 This book covers the entire English curriculum from basic reading and writing to digital literacy, media literacy, and integrated instruction.

The Place of Grammar in Writing Instruction Susan Hunter, Ray Wallace, 1995 In this book, the crucial questions about the place of grammar in the writing classroom are asked and answered. Teachers and researchers explore the role of grammar in the teaching of writing and describe ways that grammar instruction has been, is, and should be used in our writing programs. The contributors share their insights from a variety of perspectives: as college composition teachers, as writing center directors, as rhetoricians, as students, and as writers themselves. They are not grammarians in the conventional sense. Rather, they are voices from various writing settings who show college writing teachers how to reconnect writing and grammar. Divided into three sections, the book allows for a progressive observation of the places of grammar in writing instruction. In the section on past attitudes toward grammar instruction, the contributors discuss the history of teaching grammar as it relates to teaching writing. In the section on present concerns, contributors re-evaluate the belief that little grammar instruction is needed to teach writing. In the final section, contributors evaluate what we have learned with a view to what we need to learn or teach the next generation of writing teachers about the role of grammar.

Memory, 2000

Writing Fiction Janet Burroway, Susan Weinberg, 2003 Earlier topics include free writing to revision, plot, style, characterization, dialogue, atmosphere, imagery, and point of view. An anthology of diverse and contemporary short stories followed by suggestions for discussion and writing exercises illustrates concepts while offering variety in pacing and exposure to this increasingly popular form. The book also discusses key issues including writing workshops, using autobiography as a basis for fiction, using action in stories, using

Writing a Book That Makes a Difference Philip Gerard, 2000-03 Philip Gerard analyses books that make a difference, fiction and non-fiction, classic and contemporary, and identifies the elusive ingredients that work together to produce a book that changes minds and lives.

The Writer's Mentor Ian Jackman, 2004 Advice in the words of the most successful writers ever is presented in thematic chapters for easy reference.

Deepening Fiction Sarah Stone, Ron Nyren, 2005 A section on the writing life includes candid discussions of writer's block, talent, habit, rejection, publication, and endurance to help aspiring professionals develop sustainable lives as writers.

The English Teachers' Companion Jim Burke, 1999 Sometimes English asks us to juggle so much so fast that teachers wonder how they can possibly do it all, let alone do it well. Jim Burke shows us how

with this guide to teaching the entire English curriculum covering everything from basic reading and writing to digital literacy media literacy and integrated instruction Imaginative Writing Janet Burroway, 2011 Janet Burroway's bestselling Imaginative Writing: The Elements of Craft explores the craft of creative writing in four genres: Fiction, Poetry, Drama, and Creative Nonfiction. A trade author as well as a professor of creative writing, Burroway brings her years of teaching and writing to this book. Try This exercises appear throughout each chapter. Provocative and fun, these exercises help writers develop the specific writing skills discussed within the text. Working toward a draft exercises encourage writers to develop their ideas into complete drafts. In response to reviewer requests, the preface Invitation to the Writer has been expanded into a full chapter. This new chapter introduces writers to important skills such as reading like a writer, journaling, and participating in the writer's workshop. This book offers lots of ideas and encouragement at a great price.
