**Daniel F McAuley**

## **Wood Toy Plans Creating Router Templates To Make:**

**Making Classic Wooden Toys** Scott Francis, 2016-11-11 Make toys that will be treasured for generations. Wooden toys stand the test of time. They're played with love and often go on to become treasured family heirlooms. Plus, making toys is a great way to put to good use all those small offcuts of nicer wood you've been saving. *Making Classic Wooden Toys* is filled with 21 projects selected from the archives of *Popular Woodworking Magazine* and *American Woodworker*. The toys inside hark back to a time of childhood wonder and fun. From tricky puzzles and clever gizmos to sports equipment and kids' furniture, you'll learn to make a wide array of gifts that any child is sure to love. Within these pages, you'll find step-by-step instructions along with helpful photos and illustrations for a variety of wooden puzzles, tabletop versions of games including hockey and foosball, fun furniture including a play table, a game table, and a tractor trailer toybox, popular lawn games including bocce and kubb, spinning tops, whistles, and other classic toys. What better way to show your love for a child than with a handmade wooden toy that will be passed on for generations to come. *American Woodworker*, 1993-11. *American Woodworker* magazine. A New Track Media publication has been the premier publication for woodworkers all across America for 25 years. We are committed to providing woodworkers like you with the most accurate and up-to-date plans and information, including new ideas, product and tool reviews, workshop tips, and much, much more.
