

CAUSE AND EFFECT

VISUALIZING
SUSTAINABILITY

Sustainability is one of the world's hottest topics, but the way it is visualized and communicated is often outdated. *Cause and Effect* now reveals a contemporary visual language for sustainability. The book showcases a wide range of original and relevant design approaches that raise awareness for a more environmentally conscious lifestyle.

The international examples of campaigns, posters, brochures, digital media, interventions, and guerilla marketing featured in *Cause and Effect* inspire us and challenge us. They clearly describe far-reaching correlations and complex technical processes. Together they serve as an unparalleled presentation of the most significant, intelligent, and entertaining communication measures and proposed solutions for sustainability today.
