**Social Learning and Social Structure** Ronald L. Akers, 2011-12-31 The social learning theory of crime integrates Edwin H Sutherland's differential association theory with behavioral learning theory It is a widely accepted and applied approaches to criminal and deviant behavior However it is also widely misinterpreted misstated and misapplied This is the first single volume in depth authoritative discussion of the background concepts development modifications and empirical tests of social learning theory Akers begins with a personal account of Sutherland's involvement in criminology and the origins of his influential perspective He then traces the intellectual history of Sutherland's theory as well as social learning theory providing a comprehensive explanation of how each theory approaches illegal behavior Akers reviews research on various correlates and predictors of crime and delinquency that may be used as operational measures of differential association reinforcement and other social learning concepts Akers proposes a new integrated theory of social learning and social structure that links group differences in crime to individual conduct He concludes with a cogent discussion of the implications of social learning theory for criminology and public policy Now available in paperback with a new introduction by the author this volume will be invaluable to professionals and for use in courses in criminology and deviance

**The Craft of Criminology** John H. Laub, 2002 Travis Hirschi is one of the most cited criminologists of the twentieth century yet it is remarkable how little is known about his life and career Known as spokesperson for social control theory Hirschi has been a controversial figure He has challenged popular theories in criminal career research as well as the need for longitudinal studies of offenders and criminal justice

policies For Hirschi ideas are always tied to the mode of investigation and the mode of investigation is always tied to substantive concerns Thus substantive theoretical contribution and research methodology have been the twin driving forces throughout his career John Laub s introduction combines a discerning account of Hirschi s life and work accompanied by an interview with the author He divides the volume into four parts Part 1 Methodological Issues includes two essays Principles of Causal Analysis and False Criteria of Causality in Delinquency Research coauthored with Hanan C Selvin The Methodological Adequacy of Longitudinal Research on Crime coauthored with Michael R Gottfredson and Hirschi s Procedural Rules and the Study of Deviant Behavior Part 2 Causes and Correlates of Crime and Delinquency encompasses Hirschi s A Control Theory of Delinquency Causes and Prevention of Delinquency and Family Structure and Crime with Rodney Stark Hellfire and Delinquency with Michael J Hindelang Intelligence and Delinquency A Revisionist Review with Michael Gottfredson Age and the Explanation of Crime Part 3 A General Theory of Crime consists of The Distinction between Crime and Criminality The Generality of Deviance Causes of White Collar Crime and Control Theory and the Life Course Perspective all coauthored with Michael R Gottfredson Part 4 Critiques of Theories and Research in Criminology consists of Hirschi s Separate and Unequal is Better along with The True Value of Lambda Would Appear to be Zero Rethinking the Juvenile Justice System and National Crime Control Policies all coauthored with Michael Gottfredson *The Craft of Criminology* Travis Hirschi,2017-07-12 Travis Hirschi is one of the most cited criminologists of the twentieth century His work has provoked controversy and heated debates about the causes of crime proper research methods and the most effective policies to prevent and control crime Known as a spokesperson for social control theory Hirschi always ties his ideas to the mode of investigation and the mode of investigation to substantive concerns Theoretical contributions and research methodology have been twin driving forces throughout his career This book contains representative selections of Hirshi s work over many years It is remarkable how little is known about Hirschi s life and career John H Laub s introduction combines a discerning account of Hirschi s life and work accompanied by an interview with the author Laub s volume covers various topics methodological issues principles of casual analysis criteria of causality longitudinal research on crime rules and the study of deviant behavior correlations between crime and delinquency control theory of delinquency intelligence causes and prevention of delinquency family structure and crime theory of crime crime and criminality deviance white collar crime and juvenile justice systems Now available in paperback this is an invaluable text for courses in criminology as well as a valuable addition to professional libraries **Ethical Dilemmas in Justice Studies** Julie Raines,2024-02-09 The criminal justice system has morphed from a harshly punitive system to a distinctively more rehabilitative and restorative one focusing on supporting victims and changing offender behavior A variety of collaborative actors from police courts and corrections partner with social workers psychologists and community members who rely heavily on a civil law approach similar to alternative dispute resolution ADR While much of these innovations within criminal justice have been evolving over the last

several decades students in criminal justice programs rarely hear much if anything about them This textbook seeks to address these gaps in the literature through the traditional Criminal Justice Ethics course with a case study approach It will explore the typical subjects taught in a Criminal Justice Ethics course including the concepts of virtues duties ethical dilemmas ethical systems moral reasoning police ethics ethical issues in the courts ethics within institutional and community corrections and the ethical treatment of juveniles In addition the book addresses the concepts of administrative ethics justice comparative and international justice humanitarian law and punishment and corporate misconduct Each chapter provides definitions for the terms that are being introduced along with examples and a variety of ethical dilemmas to work through as case studies

Ethics in Policing Julie Raines,2010 This book highlights the need for empirical research to explain why some officers commit unethical acts and what might prompt other officers to report such examples of misconduct This text offers an explanation of theories behind officer misconduct coupled with practical advice for law enforcement officials regarding how to foster ethical behavior while discouraging misconduct

**Theories of Crime** Claire M. Renzetti,Daniel J. Curran,Patrick J. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Causes Of Delinquency Travis Hirschi : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Causes Of Delinquency Travis Hirschi : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
