Discover the secret to building your best body even if you have no gym experience whatsoever When you imagine your ideal fitness routine what comes to mind You probably aren't dreaming about spending hours in the gym each day sweating and struggling to meet your goals while managing the rest of your responsibilities The key to toning and sculpting your muscles successfully doesn't lie in having a gym membership In fact a survey found that 63% of gym memberships go completely unused and 22% stop going 6 months into their membership Clearly just signing up for a gym isn't enough for most people the costs end up far outweighing the benefits Yet it's more than possible to meet and surpass your fitness goals So how do you do it The key lies in recognizing that your unique situation requires a unique approach to fitness not a one size fits all membership with no flexibility What about a program that recognizes the demands of your busy life One that doesn't expect you to dedicate unlimited time and money to sculpting a better body As a wife mother and entrepreneur Shelby Kennedy knows just how challenging it can be to prioritize yourself when it feels like the weight of the world is on your shoulders But you shouldn't have to give up feeling good about yourself in order to take care of everyone else you can accomplish everything you need to while feeling great in your own skin All it takes is motivation a little guidance and 30-40 minutes out of your busy schedule In Breakneck Booty you will discover An effective easy to follow 2 week plan that takes the guesswork out of exercise Why it's so important to stretch beforehand and the simple moves experts swear by to get your muscles warmed up and ready for action Detailed instructions for every move with tips on to keep you in perfect form during every workout Simple workouts that don't require any equipment or experience to get you noticeable results The most common challenges women face when trying to get into a fitness routine and how you can overcome them 19 glute busting moves to get you a rounder perkier booty in no time And much more You've probably tried other programs in the past and without seeing the results that you had hoped for You're frustrated by stopping and starting on your fitness journey and ready for the solution that will finally get you to where you want to be The answer isn't going to be found in expensive gym memberships or trainers that won't work with your busy schedule As a modern woman you know how valuable your free time is it's time to build an exercise schedule that works for you not against you If you're ready to finally have the booty and body you've always dreamed of then scroll up and click the Add to Cart button right now **Bigger booty in 12 weeks** Voja Budrovac,2020-05-21 Designed by the finest in Dubai A complete Bigger Booty 12week home training program First in Dubai 12 week Video Diet plan e book Compatible device Phone Laptop TV **Bikini My Body in 8 Weeks** Alex Michael Betts,2017-02-13 This book was inspired by my desire to offer easy to follow and effective workout and nutrition programs to help people get back on track and start to make healthy living a lifestyle rather than a chore Too many people start off their exercise regimens with the best of intentions but don't have a clear enough plan to follow Therefore no plan to stick to This 8 week program is designed for you to be able to sculpt your body and get in great shape without having to leave the comfort

of your home or spend countless hours grinding away in the gym This is for ANYBODY from a newbie who has never exercised seriously before to a travelling executive who needs to squeeze a quick workout into an already hectic schedule These workouts are relatively short and sweet and are designed to boost your metabolism with the high intensity interval training HIIT and Excess Post Exercise Oxygen Consumption EPOC philosophies Psychologically it is also a lot easier to start a program when the workouts are very short you will barely notice the increase in duration as you progress In a nutshell you bust your ass for a short period of time and your metabolism rate will remain elevated for longer meaning you burn more FAT At first some may find it hard work so please don't push yourself to the point of passing out listen to your body and build up your stamina gradually if you NEED to rest after every exercise then do it but time your rest and try to reduce it gradually over the course of the program The nutrition aspect is very simple and only has 2 main rules to follow as far as food is concerned The less rules you have to follow the higher your chances of success There is also a tendency to throw too much at your body at first you end up burning out and falling off the wagon This program will build you up from the ground gently which will massively increase your chances of succeeding by sticking with the program There is a lot of confusion and misinformation when it comes to diet and exercise I have made this program very easy to follow and applied rules that have proven to work time and time again This is a no gimmicks no nonsense plan This eBook contains the following information to ensure your success in the program 18 mins workout day for week 1 8 week easy to follow nutrition plan 4 complete home exercise routines 20 video links to home exercises 10 golden rules to secure your success ABOUT THE AUTHOR Alex Betts Founder of FitnessGuruSG.com is passionate about health and fitness and enjoys seeing people make positive lifestyle changes to improve their well being Alex has helped transform hundreds of individuals to become healthier fitter and stronger physically and mentally At a young age Alex developed a fascination for the potential of the human body to be sculpted and to demonstrate strength confidence and power After seeing my body start to change shape and muscles appearing in places where I had never seen them before I was instantly hooked this became my wonderful obsession my therapy and kept me on the straight and narrow no matter what life threw at me Alex believes that there is so much more to training than vanity He believes it empowers people to take control of their lives and gives them a daily sense of accomplishment It also gives them a healthy awareness of how everything they do and consume directly affects their mind and body Alex earned his degree in Sports Exercise Science from the University of Leeds UK in 2005 He is also the President of Singapore Federation of Bodybuilding Fitness SFBF The SFBF is the only federation in Singapore recognized by the International Federation of Bodybuilding and Fitness IFBB organizers of world renowned fitness and bodybuilding competitions namely Joe Weider's Olympia Weekend and The Arnold Classic Sports Festival *Bikini My Body in 8 Weeks* Alex Michael Betts, 2017-03-03 This book was inspired by my desire to offer easy to follow and effective workout and nutrition programs to help people get back on track and start to make healthy living a lifestyle rather than a chore Too many people

start off their exercise regimens with the best of intentions but don't have a clear enough plan to follow. Therefore, no plan to stick to. This 8-week program is designed for you to be able to sculpt your body and get in great shape without having to leave the comfort of your home or spend countless hours grinding away in the gym. This is for ANYBODY from a newbie who has never exercised seriously before to a travelling executive who needs to squeeze a quick workout into an already hectic schedule. These workouts are relatively short and sweet and are designed to boost your metabolism with the high-intensity interval training (HIIT) and Excess Post-Exercise Oxygen Consumption (EPOC) philosophies. Psychologically, it is also a lot easier to start a program when the workouts are very short; you will barely notice the increase in duration as you progress. In a nutshell, you bust your ass for a short period of time and your metabolism rate will remain elevated for longer, meaning you burn more FAT. At first, some may find it hard work, so please don't push yourself to the point of passing out; listen to your body and build up your stamina gradually. If you NEED to rest after every exercise, then do it, but time your rest and try to reduce it gradually over the course of the program. The nutrition aspect is very simple and only has 2 main rules to follow as far as food is concerned. The less rules you have to follow, the higher your chances of success. There is also a tendency to throw too much at your body at first; you end up burning out and falling off the wagon. This program will build you up from the ground gently, which will massively increase your chances of succeeding by sticking with the program. There is a lot of confusion and misinformation when it comes to diet and exercise. I have made this program very easy to follow and applied rules that have proven to work time and time again. This is a no-gimmicks, no-nonsense plan. This eBook contains the following information to ensure your success in the program: 18-min workout day for week 1, 8-week easy-to-follow nutrition plan, 4 complete home exercise routines, 20 video links to home exercises, 10 golden rules to secure your success.

ABOUT THE AUTHOR Alex Betts, Founder of FitnessGuruSG.com, is passionate about health and fitness and enjoys seeing people make positive lifestyle changes to improve their well-being. Alex has helped transform hundreds of individuals to become healthier, fitter, and stronger physically and mentally. At a young age, Alex developed a fascination for the potential of the human body to be sculpted and to demonstrate strength, confidence, and power. After seeing my body start to change shape and muscles appearing in places where I had never seen them before, I was instantly hooked; this became my wonderful obsession, my therapy, and kept me on the straight and narrow, no matter what life threw at me. Alex believes that there is so much more to training than vanity. He believes it empowers people to take control of their lives and gives them a daily sense of accomplishment. It also gives them a healthy awareness of how everything they do and consume directly affects their mind and body. Alex earned his degree in Sports Exercise Science from the University of Leeds, UK, in 2005. He is also the President of Singapore Federation of Bodybuilding Fitness (SFBF). The SFBF is the only federation in Singapore recognized by the International Federation of Bodybuilding and Fitness (IFBB) organizers of world-renowned fitness and bodybuilding competitions, namely Joe Weider's Olympia Weekend and The Arnold Classic Sports Festival.
