By nearly every measure Americans are less engaged in their communities and political activity than generations past So

write the editors of this volume who survey the current practices and history of citizenship education in the United States

They argue that the current period of creative destruction when schools are closing and opening in response to reform

mandates is an ideal time to take an in depth look at how successful strategies and programs promote civic education and

good citizenship Making Civics Count offers research based insights into what diverse students and teachers know and do as

civic actors and proposes a blueprint for civic education for a new generation that is both practical and visionary      **Civic**
