

The Butcherly Circus – Discussion Questions

Directions: We will either discuss these questions as a class or you will write your responses completely and thoughtfully on a separate sheet of paper. Be sure to use examples from the movie and your own life experiences to support your answer.

1. How do you think Will felt when he was just a kid (the sidekick in the first circus)? Why did he spit on Mr. Mendot? How did Will change after he joined the Butcherly Circus?

2. In what ways did Will begin to positively affect the lives of others? How did Will discover his strengths and the courage to use them? Can we change that which is negative in our lives? If so, how?

3. How do you think the two circus masters viewed life – what's important, what does it mean to be successful? How did that affect how they treated people? Have you ever known anyone like the ringmaster or Mr. Mendot?

4. The movie takes place in the 1930s. Would people treat Will any differently today? Describe. What does Will believe about himself at the beginning of the film? At the end? Have you experienced something that changed how you view yourself, for better or for worse? What was it?
