Creating a Capsule Wardrobe Claire Collins,2018-04-30 So many books about Capsule Wardrobes don t seem to address the real woman those of us with jobs families and budgets Those of us that can t afford to buy designer pieces and don t have a life where we would wear them but would still like to have our own capsule wardrobe that will work for us Creating a Capsule Wardrobe A Guide For Real Women on Real Budgets does just that The first part of the book looks at defining your own personal style It gives tips and ideas on identifying your look and helps you decide if it is suitable for your current life and life style The second part of the books delves into the back of your wardrobe and helps you deal with all those hidden and ignored pieces that have been gathering dust There is plenty of information on how to select the pieces you love and even a detailed how to sell on line guide in the resources section at the back of the book Most importantly there is a detailed section on assessing and reassessing your capsule wardrobe a technique that many books ignore This section will help you decide if what you chose was right for you and will help you make adjustments if you decide they were not The book also looks at other types of capsule wardrobes you might have like active wear sleepwear and underwear It will show you how to use the

same techniques to create mini capsule within your wardrobe At the end of each chapter there is a chapter summary and activity suggestions to help you create your own capsule wardrobe The final part of the book is a resource section Here you will find blogs and websites that are mentioned in the book and a detailed guide to selling clothes on line
