Do you struggle with paying for college and wonder if there is a way to make additional income so you don't have to leave school with debt? Do you want to build a method for generating cash so you don't have to work a 9 to 5 job once you graduate? Do you have goals but don't know how to achieve them? Have you been searching for a resource to help you get the most out of your life? If this sounds like you, then keep reading. There are millions of ways to make money, especially extra money during your college years. If you have the drive and the determination, you CAN do it. But sometimes we struggle to figure out what that will actually result in. We simply hit a mental wall and our money-making dreams don't reach. Having a side hustle will help you achieve all of your goals, no matter how big or small they are. Regardless of who you are and what you want to accomplish, the basis of side hustling is the same for everyone. This book will help you understand everything you need to know about side hustles, including the benefits and challenges they bring, and I will provide you with a step-by-step process for choosing and launching a side hustle business, along with some practical examples and exercises that you can use to start right away. Never before has there been a book so gentle in its approach and so effective at helping people to change their lives for the better. Within these pages, you will discover what is a side hustle, why you should consider a side hustle, benefits of a side hustle, how to find a side hustle, questions to ask when considering a side hustle, 10 million-dollar side hustle ideas, 100 great ideas for possible side hustles, AND MUCH MORE. No matter how young or old, how inexperienced or experienced, or what education level you have, this book will be able to help you learn what a side hustle is and how you can start one right away so you can utilize it in your daily life to achieve the things you want to achieve. The things you want to achieve don't have to be huge goals like building your own billion-dollar company, but you can use it to start achieving some little things you want in life, like generating an extra 500 dollars a month to help pay bills or have a little more discretionary income. If you're ready to take control and learn what a side hustle can do for bettering your life, then look no further. Don't waste another minute; scroll up and hit BUY NOW to get started today. *Grad School Life* Jacqueline M. Kory-Westlund, 2024-04-02 Grad school isn't easy. It's even less easy when you're also managing a second job, a family, or depression, or when you are a first-generation student or if you come from an underrepresented group or a lower socioeconomic status background. Grad students are overworked, overstressed, and over it. Most grad school advice books focus on the professional side: finding funding, managing research, and teaching, and applying for academic jobs. But students today face a difficult job market. Only a handful will obtain coveted tenure-track professorships, so they need alternative career prep. Plus, grad school is only one part of your life. And with an average age of 33 years today, students are juggling far more than school. That's where this book comes in. It will help you keep up a personal life, make the most of your time, and prepare for your career, whether in academia or beyond. This pragmatic book explains how to persevere through the grad school long haul, covering challenges both on and

off campus It shares candid specific advice on personal finances mental health setting your own learning and career goals maintaining friendships and relationships and more Peppy sensible and smart Grad School Life points out the pitfalls of academia and helps you build the life you want With fresh insights concrete suggestions and exercises and helpful lists of resources this book gives grad students a new roadmap for not only surviving but thriving both in school and in the real world
