

# English summary of *Paljas*

*A description of the landscape is given: the setting is somewhere in the Karoo. In the middle of this outstretched, lonely area, there is a dirt road (grondpad) and a railway (spoorlyn). Next to the railway there is a railway stop (spoorweghalte), if it can even be called that. The stop consists of a platform (perron), a sink waiting room and office (kantoor), a few trees, some dilapidated (vervalle) barns (skure), a loading dock for animals, a windpomp and a railway house with a wide front porch (voorstoop). It's the type of place where trains wouldn't stop.*

*The farms are big and the nearest farm house is about 5 kilometres away. South of the railway stop is a small town with a few shops (winkel), a koöperasie, a few houses and a massive church (kerk). **The church is an important part of the story!***

1. It's just after daybreak. There is a steam train underway with its black smoke plume clearly visible against the sky.
2. Hendrik and Katrien's bedroom. Katrien gets out of her single bed and covers Klein Willem who is sleeping in the same bed as her. She looks at the sleeping Hendrik on his single bed across from her. The light falls slightly over his face.
3. In the kitchen, Katrien has already packed the coal stove and she starts the fire. She opens the back door and looks out. You can hear roosters in the background the whole time.
