Patton Ladislas Farago,1964 The basis for the Academy Award winning film starring George C Scott Cover **Patton** Ladislas Farago,1975 *Patton* Ladislas Farago,1964 *Patton. Ordeal and Triumph. [A Biography of General George S. Patton. With Maps.]*. László Faragó,1966 *Patton Ordeal And Triumph* ,1990 [Patton's Way](#) James K Morningstar,2017-06-15 Patton s Way is a unique approach to the legend of General George S Patton Jr and his development and application of modern warfare Rather than a biography Patton s Way argues that popular representations of Patton are built on misconceptions and incomplete understandings about his approach to battle Morningstar addresses the contradiction between the historiographical criticism of Patton s methods and popular appreciation for his successes The author identifies several schools of thought offering explanations yet he notes they all fail to fully comprehend the real Patton The secret to Patton s success was a radical and purposely crafted doctrine developed over several decades The author identifies four core principles in Patton s creed targeting the enemy s morale through shock utilizing highly practiced combined arms mechanized columns relying on mission tactics and flexible command and control and employing multi layered and synthesized intelligence systems to identify enemy capabilities and weak spots These precepts directly contradicted official U S Army doctrine and created misunderstandings that led commanders to truncate Patton s operations in Tunisia Sicily and France Morningstar details how Patton developed and applied each principle and uses the breakout from Normandy as a case study to illustrate Patton s Way in application This book discusses the death and resurrection of Patton s ideas in the U S Army directly following World War II to the present and comments on the status of Patton ideas in the Army today *Patton's Shadow* Nathan C.
