momentum in 2010 by the Eurozone crisis The present book collects contributions from authors most of whom have participated in a conference on this issue in January 2012 at the Humboldt Universit t zu Berlin The presentations thus provide a unique overview of the present discussion both from an economic and legal perspective The Nature and Enforcement of Choice of Court Agreements Mukarrum Ahmed,2017-10-05 PRAISE FOR THE BOOK This constitutes a work of impressive scholarship that will become a major reference point for future discourse on choice of court agreements Dr Ahmed advances a firm thesis in a lucid manner that will satisfy both academics and practitioners The discussion is supported by a monumental foundation of underpinning research Ahmed s monograph throughout shows clear understanding of underlying substantive laws and in Chapter 11 displays a refreshing willingness to engage in intelligent speculation on the implications of Brexit Professor David Milman University of Lancaster The book is an excellent attempt to understand the theoretical underpinnings of choice of court agreements in private international law Anyone with an interest in the theory and practice of choice of court agreements in particular in mechanisms for their enforcement should read this book They will find much of value by doing so Professor Paul Beaumont University of Aberdeen from the Series Editor s Preface This book examines the fundamental juridical nature classification and enforcement of choice of court agreements in international commercial litigation It is the first full length attempt to integrate the comparative and doctrinal analysis of choice of court agreements under the Brussels I Recast Regulation the Hague Convention on Choice of Court Agreements Hague Convention and the English common law jurisdictional regime into a theoretical framework In this regard the book analyses the impact of a multilateral and regulatory conception of private international law on the private law enforcement of choice of court agreements before the English courts In the process it both pre empts and offers innovative solutions to issues that may arise under the jurisprudence of the emergent Brussels I Recast Regulation and the Hague Convention The need to understand the nature and enforcement of choice of court agreements before the English courts from the perspective of the EU private international law regime and the Hague Convention cannot be understated This important new study aims to fill an existing gap in the literature in relation to an account of choice of court agreements which explores and reconnects arguments drawn from international legal theory with legal practice However the scope of the work remains most relevant for cross border commercial lawyers interested in crafting pragmatic solutions to the conflicts of jurisdictions *Chitty on Contracts* Joseph Chitty,1955 *Chitty on Contracts* Joseph Chitty,1961 **Specific Contracts** Joseph Chitty,2004 *Chitty on contracts* Joseph Chitty,2012 **Chitty on Contracts** Gran Bretanya,1961 **Chitty on Contracts** Joseph Chitty,1989 *International Construction Law* Wendy Kennedy Venoit,2009 YA roadmap to the most important ethical considerations facing legal practitioners in multi jurisdictional construction practice **Chitty on Contracts: Specific contracts** Joseph Chitty,Anthony Gordon Guest,1989 Chitty on Contracts Joseph Chitty,1968 Chitty on Contracts Joseph Chitty,1968 **Chitty on Contracts** ,1989
