Star Wars: Exploring Tatooine Riley Silverman,2022-09-06 Presents an illustrated look at the fictional desert planet of Tatooine in the Star Wars franchise *Star Wars: The Eye of Darkness (The High Republic)* George Mann,2024-05-28 One year after the tragic events of The Fallen Star the Jedi fight to break the Nihil s control over the galaxy The galaxy is divided Following the shocking destruction of Starlight Beacon the Nihil have established an impenetrable barrier called the Stormwall around part of the Outer Rim where Marchion Ro rules and his followers wreak havoc at his every whim Jedi trapped behind enemy lines including Avar Kriss must fight to help the worlds being pillaged by the Nihil while staying one step ahead of the marauders and their Nameless terrors Outside the Nihil s so called Occlusion Zone Elzar Mann Bell Zettifar and the other Jedi work alongside the Republic to reach the worlds that have been cut off from the rest of the galaxy But every attempt to breach the Stormwall has failed and even communication across the barrier is impossible The failures and losses weigh heavily upon both Elzar and Bell as they search desperately for a solution But even if the Republic and Jedi forces manage to breach the Stormwall how can the Jedi fight back against the Nameless creatures that prey on the Jedi s connection to the Force And what other horrors does Marchion Ro have in store As desperation for both the Jedi and the Republic grows any hope of reuniting the galaxy could be all but extinguished **Star Wars The High Republic**

Philosophy Strikes Back Jason T. Eberl,Kevin S. Decker,2022-12-05 Should droids be free Should clone troopers What political and ethical ideas ground resistance and rebellion What s wrong with the way women are portrayed in Star Wars Does Han Solo have a philosophical worldview Was Galen Erso responsible for the destruction of Alderaan Should you eat Baby Yoda This is the Way In Star Wars and Philosophy Strikes Back the Way wends through entirely new adventures in the Star Wars galaxy far far away not only the films of the Skywalker saga but also Rebels The Bad Batch Rogue One Solo and The Mandalorian Like the creators of these films and television series the authors in this book harness the magical mix of humor action empathy characterization adventure and fan service that constitutes Star Wars In addition to thorny metaphysical questions about the nature of time and free will this volume highlights the staggering cultural impact of George Lucas s universe The newest Star Wars narratives tackle ethnicity on alien worlds and how love and sex with a droid like L3 37 would work It works The connections between the Separatist Freedom Movement and the struggle for social justice in the

USA in the 21st century are brought to light And philosophical second looks at Rian Johnson s The Last Jedi prove there is much more to this controversial entry in the Skywalker saga Thirty six philosophers both sages and scoundrels among them examine the full range of deep questions throughout the Star Wars chronology from The Phantom Menace to The Rise of Skywalker and beyond They have spoken *The i-zation of Society, Religion, and Neoliberal Post-Secularism* Adam Possamai,2017-10-30 This book explores the elective affinity of religion and post secularism with neoliberalism With the help of digital capitalism neoliberalism dominates more and more all aspects of life and religion is not left unaffected While some faith groups are embracing this hegemony and others are simply following the signs of the times changes have been so significant that religion is no longer what it used to be Linking theories from Fredric Jameson and George Ritzer this book presents the argument that our present society is going through a process of i zation in which 1 capitalism dominates not only our outer social lives through for example global capitalism but also our inner personal lives through its expansion in the digital world facilitated by various i technology applications 2 the McDonalidization process has now been normalized and 3 religiosity has been standardized Reviewing the new inequalities present in this i society the book considers their impact on Jurgen Habermas s project of post secularism and appraises the roles that various religions may have in supporting and or countering this process It concludes by arguing that Habermas s post secular project will occur but that paradoxically the religious message s will be instrumentalized for capitalist purposes *The New Winston Handbook of Necessary Information for Home, School, Shop and Office, Practically Arranged for Ready Reference* Winston, John C., Company,William Henry Johnston,1923 Star Wars Meets the Eras of Feminism Valerie Estelle Frankel,2020-07-07 Star Wars defined popular big screen science fiction Still what many viewers best recall is assertive hilarious Leia the diminutive princess with a giant blaster who had to save them all As the 1977 film arrived women were marching for equality and demanding equal pay with few onscreen role models Leia echoed their struggle and showed them what they could be Two more films joined in though by the early eighties post feminism was pushing back and shoving the tough heroine into her pornographic gold bikini After a sixteen year gap the prequels catered to a far different audience Queen Amidala s decoy power originates in how dominated she is by her massive royal gowns This obsession with fashion but also costuming as a girly superpower fits well with the heroines of the time The third wavers filled the screens with glamorous mighty girls strong but not too strong like the idealistic teen Ahsoka of Clone Wars However space colonialism abusive romance and sacrifice left these characters a work in progress Finally the sequel era has introduced many more women to fill the galaxy Rey Jyn Rose Maz Qi ra Val L3 37 Captain Phasma Admiral Holdo and of course General Leia Making women the central warriors and leaders while keeping them powerful and nonsexualized emphasizes that they can share in the franchise instead of supporting male Jedi There s also more diversity though it s still imperfect Hera and Sabine on the spinoff cartoon Rebels and the many girls in the new franchise Forces of Destiny round out the era along with toys picture books and other hallmarks of a new more feminist
