Instructions for the Modified Jones

The modified Jones scale is the right of Jones is arranged in three levels. From one to five, if the patient fails to respond satisfactorily to one item, mark the "0" at the left end of the scale. This score indicates that the patient had difficulty performing that particular skill. If the patient responds correctly and without difficulty to the item, mark "12." A score of "0" indicates clearly correct or satisfactory behavior. The numbers between other numbers suggest some degree of abnormal function.
