celebrity clients at leading Manhattan spas Natalia Rose has discovered that traditional detox plans don't work for adult women because their microbial balance is completely out of whack. In fact, doing the wrong kind of detox can make their symptoms even worse. Here is the solution Rose has formulated: a very specific detox prescription for women that is easy to follow and gentle on the system yet yields fantastic results that are both immediate and lasting. In *Detox for Women*, she brings you her powerful step-by-step plan that will help you shed weight, look years younger, and radiate energy in only 28 days. Like Rose's celebrity clients, you will love this plan. Rose steers readers away from traditional detox fare like fruit and nuts and cautions against eating too much raw food too soon. And while many detox programs do not allow you to eat at all during the next 28 days, you will enjoy cooked foods that are easy to digest, treats like dark chocolate and wine, recipes that hark back to favorite foods like pumpkin pie and guacamole, sunshine for breakfast, Rose's own elixir for health and beauty, great restaurants. This plan can even be tailored for eating out. You will also luxuriate in relaxing baths, get plenty of fresh air, and enjoy meals that are simple to prepare, beautiful to look at, and delicious to eat. Like Rose's clients, you will probably also find that this way of living is so easy and rewarding that you will even want to make permanent changes after the 28 days are over. With inspiring stories from real women, Natalia Rose doesn't just give you a detox prescription but also real hope for the kind of transformation you have always wanted.

Beyond the Pill Jolene Brighten, 2019-01-29

All women need to read this book. Dave Asprey, author of *The Bulletproof Diet*, groundbreaking solutions for the common hormonal struggles women face both on and off birth control. Amy Medling, founder of PCOS Diva and author of *Healing PCOS*, a natural, effective program for restoring hormone balance, normalizing your period, and reversing the harmful side effects of The Pill for the millions of women who take it for acne, PMS, menstrual cramps, PCOS, endometriosis, and many more reasons other than contraception. Out of the 100 million women, almost 11 million in the United States alone, who are on the pill, roughly 60 percent take it for non-contraceptive reasons like painful periods, endometriosis, PCOS, and acne. While the birth control pill is widely prescribed as a quick fix solution to a variety of women's health conditions, taking it can also result in other, more serious and dangerous health consequences. Did you know that women on the pill are more likely to be prescribed an antidepressant? That they are at significantly increased risk for autoimmune disease, heart attack, thyroid, and adrenal disorders, and even breast and cervical cancer? That the pill can even cause vaginal dryness, unexplained hair loss, flagging libido, extreme fatigue, and chronic infection? As if women didn't have enough to worry about, that little pill we're taking to manage our symptoms is only making things worse. Jolene Brighten, ND, author of the groundbreaking new book *Beyond the Pill*, specializes in treating women's hormone imbalances caused by the pill and shares her proven 30-day program designed to reverse the myriad of symptoms women experience every day, whether you choose to stay on the pill or not. The first book of its kind to target the birth control pill and the scientifically proven symptoms associated with taking it, *Beyond the Pill* is an

actionable plan for taking control and will help readers Locate the root cause of their hormonal issues like estrogen dominance low testosterone and low progesterone Discover a pain free manageable period free of cramps acne stress or PMS without the harmful side effects that come with the pill Detox the liver support the adrenals and thyroid heal the gut reverse metabolic mayhem boost fertility and enhance mood Transition into a nutrition and supplement program with more than 30 hormone balancing recipes Featuring simple diet and lifestyle interventions Beyond the Pill is the first step to reversing the risky side effects of the pill finally finding hormonal health and getting your badass self back [Mega-nutrition for Women](#) Richard A.
