Drama and Reading for Meaning Ages 4-11 Lorraine S. Harrison, 2022-04-19. *Drama and Reading for Meaning Ages 4-11* contains over 40 creative drama ideas to help develop reading for meaning in the primary school. The wide range of clearly explained, structured, and engaging drama activities will appeal to all primary practitioners who wish to develop more creative approaches to the teaching of reading. The activities show how drama can develop some of the skills associated with reading for meaning, such as empathising with characters' feelings, exploring settings and themes, and making inferences based on evidence. The step-by-step activities range from familiar classroom drama strategies, such as freeze frames and hot seating, to less well-known approaches involving whole-class drama experiences. The book also serves as an introduction to using drama as a learning medium, with advice on how to set the ground rules and clear explanations of the drama strategies. Each chapter has a detailed explanation of what to do, followed by a number of examples linked to quality texts, including poetry and non-fiction. From bringing books to life in reception and Years 1 and 2 to peeling back the layers of meanings in Years 3 to 6, all the drama activities in this book are designed to improve reading for meaning and help motivate children to read for pleasure, making this an essential resource for all primary settings.

P.S. You're a Genius Kelly Trach, 2021-11-30. Do you feel like you're doing it all, and it's still not enough? Discover your shortcut to success in *P.S. You're a Genius*. After a lifetime of overachieving, aiming to be excellent at everything, and three failed tech startups in Silicon Valley, Kelly Trach was stirred by a simple question: "What if I just did what I'm good at?" Now a six-figure business coach, Kelly poses the same question to you: "What if you just did what you're good at?" Despite conventional wisdom, the gifts and experience you need are already innate. Having that "it factor" or special ingredient isn't as elusive as you may think. *P.S. You're a Genius* takes you on a self-reflective journey to find your own gifts, especially when you don't feel gifted at all. Asking questions like "How are your idols a reflection of your own genius?" "What are you great at that nobody taught you how to do?" "How is your darkest shadow your greatest gift?" "What have you been unexpectedly criticized for?" Through these questions and more, you'll uncover the ways you naturally excel, relinquish the lie that you're not good enough, and discover how to convincingly convey your value to anyone. In the process, you'll unlock the gumption to go after what you really want and ditch the mindset blocks holding you back because YOU have an inherent genius. You just have to find it.
