## PART 1

Select 3 of the following quotations from the directions list and analyze in a short response (paragraph form). Your response should include the context of the quotation as well as its significance to the overall themes or subjects in the novel.

- "The student of Talmud, the child I was, had been consumed by the flames. All that was left was a shape that resembled me. My soul had been invaded – and devoured – by a black flame." (37)
- "Never shall I forget that night, the first night in the camp, that turned my life into one long night seven times sealed" (34)
- "I stood petrified. What had happened to me? My father had just been struck, in front of me, and I had not even been blinked. I had watched and kept silent. Only yesterday, I would have dug my nails into this criminal's flesh. Had I changed that much? So fast?"
- "One day when I was able to get up, I decided to look at myself in the mirror on the opposite wall. I had not seen myself since the ghetto. From the depths of the mirror, a corpse was contemplating me. The look in his eyes as he gazed at me has never left me." (115)
- "Don't forget that you are in a concentration camp. In this place, it is every man for himself, and you cannot think of others. Not even your father. In this place, there is no such thing as father, brother, friend. Each of us lives and dies alone." (110)
- "The darkness enveloped us. All I could hear was the violin, and it was as if Julie's soul had become his bow. He was playing his life. His whole being was gliding over the strings. His unfulfilled hopes. His charred past, his extinguished future. He played that which he would never play again." (95)
- . "The yellow star? So what? It's not lethal..." (Poor Father! Of what then did you die?)" (11)
