Perfect Homeopathy Medicine for Better Health II Ram Babu Sao, The Perfect Homeopathy Medicine for Better Health II is a very fascinating and yet an exasperating book Please note that if there is any serious injury or trauma to the eyes then professional help should be sought These remedies are for simple non complicated eye problems If the problem persists please visit your eye doctor or obtain emergency care Its simplicity its vastness and its apparent similarity of symptoms in different drugs throw a tremendous challenge to the People The author says that there is no royal road to a perfect understanding of Homeopathic treatment One can realize its vast extent of diseases and guiding symptoms In its present compact form it contains the maximum number of reliable Homeopathic facts in the minimum space This book provides insight into the principles in homoeopathic practice supported by clinical references all throughout An account of remarkable relief s from ill health and miraculous cures affected further justifies its superiority over other fields of medicine and the need for propagation of the nature s way of healing In this scientific era of health consciousness the time has come that for the treatment of any disease which does not respond to any particular line of treatment one must take a homeopathic opinion immediately Often patients lose their early time going to one specialist to another helplessly without permanent relief and approach homeopathy only when other medicines fail Homeopathy is an effective alternate to antibiotics in many infectious diseases producing no toxic side effects and bringing about rapid recovery Homeopathy has treatment for many of the infectious disease such as Sinusitis Tonsillitis Bronchitis Pneumonia Meningitis Otitis media pus from ear Gastroenteritis vomiting diarrhoea Dysentery Urinary Infections etc Homeopathy however is not the best option for critical infections such as cerebral malaria typhoid and acute tuberculosis sever infection etc Homeopathy offers wonder treatment for viral infections To obtain the best results and full benefits of homeopathic science one should resort to homeopathy in the early phase of sickness Because of ignorance and lack of awareness in general public about the usefulness of homeopathy in all kinds of diseases ranging from Cold to Cancer many patients approach homeopathy late By this time the disease process advances to an incurable stage and homeopathy can offer little then to the otherwise curable disorders
