Representations of Anne Frank in American Literature Rachael McLennan, 2016-08-05 This book explores portrayals of Anne Frank in American literature where she is often invoked if problematically as a means of encouraging readers to think widely about persecution genocide and victimisation often in relation to gender ethnicity and race It shows how literary representations of Anne Frank in America over the past 50 years reflect the continued dominance of the American dramatic adaptations of Frank s Diary in the 1950s and argues that authors feel compelled to engage with the problematic elements of these adaptations and their iconic power At the same time though literary representations of Frank are associated with the adaptations critics often assume that these texts unquestioningly perpetuate the problems with the adaptations This is not true This book examines how American authors represent Frank in order to negotiate difficult questions relating to representation of the Holocaust in America and in order to consider gender coming of age and forms of inequality in American culture in various historical moments and of course to consider the ways Frank herself is represented in America This book argues that the most compelling representations of Frank in American literature are alert to their own limitations and may caution against making Frank a universal symbol of goodness or setting up too easy identifications with her It will be of great interest to researchers and students of Frank the Holocaust in American fiction and culture gender studies life writing young adult fiction and ethics

Novel Writing Prep Monica Leonelle, 2018-08-29 For creative fiction writers who are writing their next novel *Novel Writing Prep* by USAT bestselling author Monica Leonelle takes you step by step through planning your novel over the course of 30 days You may be wondering is it possible to write 50 000 words in 30 days without it being a crap draft Yes You can write 50 000 good words on your novel in as little as a month as long as you prepare yourself After helping thousands of authors develop the skills to hit huge word counts in a short period of time I ve found one thing in common across all authors at all skill levels from those who have never written a novel to those who publish professionally This one thing not only helps writers get their book to make sense and read well on paper but also helps them write it faster in the first place And it s simple You must know what you are going to write before you write it That s it The results Most writers can at least double their writing speed some can triple it meaning they can do twice as many words in the same time period as they were doing before Additionally these writers encounter fewer bouts of writer s block and are more likely to see their book in print down the line *Novel Writing Prep* takes you through a simple flexible easy to implement outlining process that will give you a skeleton of ideas for completing a marathon writing month And best of all you can go through all 30 planning prompts in just a few minutes a day over 30 days or you can complete a pizza and netflix and writing binge over a weekend Doesn t matter your skill level your writing experience or how you prefer to write a first draft For plotters pantsers newbies veterans and everyone in between let *Novel Writing Prep* help you plan your novel before writing it so you can write an awesome book faster Are you ready to go all in and say yes to a fun filled exciting productive adventure

in writing *The world needs your book* Grab Novel Writing Prep today and make it happen *The John Green eSampler* John Green,2011-12-08 Excerpts from four novels by bestselling award winning author John Green *Looking for Alaska* *An Abundance of Katherines* *Paper Towns* and *The Fault in Our Stars* *Getting To Six Figures Sustainably* Monica Leonelle,2025-10-21 You don't need hacks hustle or burnout to hit six figures You need systems that actually work and that work for you In *Getting to Six Figures Sustainably* Monica Leonelle shares 12 of her most enduring frameworks refined over a decade of working with tens of thousands of authors that will help you build a thriving author business with clarity ease and longevity Inside you'll get cliff notes versions of Monica's best and most requested ideas from across her nonfiction catalog including *The Hierarchy of Prosperous Creation* build a career on mindset craft rhythm and resilience *The Accelerator's Formula* achieve any goal faster with this powerful 6 step process *Story Symmetry* write deeply aligned marketable books that become reader obsessions *Author Ecosystems* discover your archetype and use it to design a business that works for you *Funnel Flywheel* understand how readers become superfans and then spread your work *The Fandom Flywheel* build a loyal self sustaining reader base that sells your books for you Plus six more systems for audience growth visibility branding and book virality Whether you're just getting started or ready to scale to your next level this book is the business oracle deck every author needs Keep it by your side as a reference when you're stuck stagnant or spinning and get clear practical answers fast It's time to stop guessing and start growing with intention integrity and a whole lot of joy **Using Literature**

to Learn and Teach Language Carol Griffiths,2024-04-30 This accessibly written textbook uses the intrinsic appeal of a story to engage students with language and provides teachers with the background knowledge and the skills to use literature to construct lessons for their classes which integrate all four skills plus language awareness in an enjoyable way Although a number of books and studies have examined the value of using literature to learn language literature remains under represented as a language learning resource The author argues that the accumulated body of literature represents a bottomless pit of potential material just waiting to be recognised and enjoyed From a teacher's point of view a lesson based on a literary work can provide an integrated approach to language development which few other approaches can match A piece of literature can be used to develop all four skills both receptive and productive reading writing listening speaking as well as production skills and language awareness This book will be an essential resource for pre service and in service teachers teacher trainers students and scholars of Applied Linguistics Language Education TESOL and related subjects

\$8333 Monica Leonelle,2025-01-21 Monica Leonelle and Russell Nohelty have written millions and millions of words about authorship in our combined 25 years doing it Between our blogs our 40 books and our hundreds of talks interviews and podcast episodes admittedly it's a little intimidating 8333 is our attempt to take everything we've ever thought or written and combining it into one book filled with the most powerful and impactful things we've ever written If you want to read one book that fully captures the best nuggets from our catalog this is the book Think of it as a greatest hits album of our best ideas

together for the first time in one place 8333 12 Concepts to Six Figures is not just another book on writing it s a complete actionable roadmap designed to transform your author career in the next 12 months Created by bestselling authors Monica Leonelle and Russell Nohelty this book condenses their most powerful proven strategies into 12 bite sized concepts that can each unlock a path to six figure success Whether you re struggling to find your audience overwhelmed by marketing or ready to scale your revenue this book offers the tools and insights you need to achieve tangible results quickly Packed with real world advice actionable frameworks and the step by step guidance you need 8333 12 Concepts to Six Figures is your go to guide for building a thriving sustainable author business Each chapter dives into a specific strategy that s been tested and perfected ensuring that no matter where you are on your journey there s a concept that can help you make meaningful progress Get ready to leave behind the guesswork and start making strategic impactful moves that lead directly to your goals Imagine this twelve game changing strategies each with the potential to make you 100 000 a year These aren t pie in the sky theories they re battle tested no fluff tactics designed to take you from struggling to scaling Whether you re stuck in a writing rut overwhelmed by marketing or just ready to step up and claim your place as a successful author this book is your launchpad

Story Symmetry Monica Leonelle,2021-02-02 What makes a story feel connective engaging and complete If you ve read dozens of storytelling craft books and still don t have a strong answer to that question you ll love how Story Symmetry doesn t give you another laundry list of items that your story is supposed to have Instead Story Symmetry attempts to reveal the connections between the various parts of story so that you can more easily build cohesive plots characters themes and settings without having to stress over the decisions because surprise you ve probably already made them in another area of your book Included in the book Monica s Story Symmetry Framework which shows you the many layers of a story and how they each relate to each other Translation guides for building out your story for example how you can use character to build your theme and vice versa The Ultimate Novel Plotter to help you weave all the elements of your story into one cohesive document Tons of examples from some of the most popular stories of our time including Harry Potter The Hunger Games the Twilight series Star Wars Lord of the Rings How To Get Away With Murder A Song of Ice and Fire and more If you ve struggled to get 5 star reviews on your stories or build an audience of people dying to get your next book Story Symmetry will help you identify areas of improvement and even show you how a few small tweaks in your currently available content can make a massive difference in your sales

The impact of Sick Lit on its target readership,2022-06-27 Pre University Paper in the subject Literature General language English abstract This paper focuses on a specification of the wide topic Sick Lit which is the abbreviated form of sick literature It is defined as literature featuring sick children written for children With literary works such as The Fault in Our Stars by John Green gaining popularity questions may arise The relevance of this paper is to determine the impact of such books on their target readership Due to the impossibility of covering every book under this subgenre specific literature has been picked Aside from the coverage of the

subgenre s history experts and readers are cited Additionally the psychological theory of adolescents understanding and perceptions of death is provided After months of research it was therefore possible to state that even multiple experts opinions differ While some appeal to the authors responsibility or are concerned about the literature being harmful for its readers others view Sick Lit as a form of education
